Thanks to Community Members, Large Quantities of Drugs Won't Hit the Streets of Tacoma

Tacoma, Wash. – On March 6, at 3:45 a.m., South Sound 911 received multiple reports of shots fired coming from a residence in the 3600 block of S. 11 St. Officers arrived on scene and found the front door to the residence open, spent shell casings in the doorway, and no one answering announcements. During a sweep of the residence, several people were located inside uninjured. Officers also observed drug paraphernalia in the residence.

Officers applied for, and were granted, a search warrant. Due to suspected bags of powdered fentanyl observed on the initial sweep for victims, the Tacoma Police Hazardous Environments and Tactics team responded to serve the warrant.

Two handguns and over sixteen thousand dollars in cash was seized along with:

- Fentanyl 512 grams
- Marijuana 5 pounds
- Methamphetamine 691 grams

- Xanax Bars 139 grams
