All of these cases are felony level cases that otherwise would not have been investigated without this initiative.

### **Bulletins Issued: 83**

These are typically Probable Cause or Attempt to Identify Bulletins that are distributed to Law Enforcement Personnel.

**Number of Arrests / Charged: 55**

**Total Overtime Hours: 1,493 since November of 2022**

# Criminal Investigations

## Kia / Hyundai Task Force

In November of 2022, the Tacoma Police Department designated several investigators to focus on the rising Kia/Hyundai thefts and the associated crime. One detective is regularly working on these cases full time.

### **Cases Assigned: 44**

Some of these cases involved multiple suspects who committed violent felonies across multiple jurisdictions.

### **Bulletins Issued: 15**

**Number of Arrests / Charged: 55**

**Total Regular Duty Hours: 800**

**Total Overtime Hours: 255**

These are CID hours only. Forensics and SID is not included.

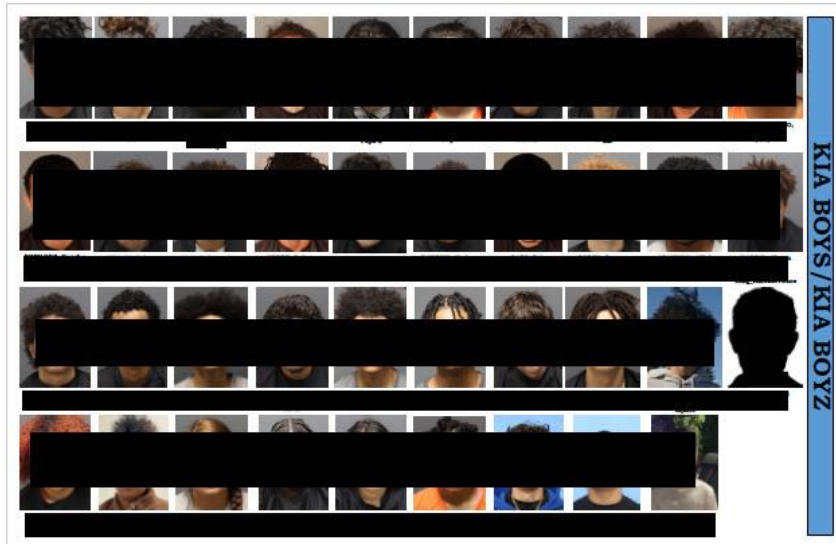

# Criminal Investigations

## Kia / Hyundai Task Force

Tacoma Police Detectives have been working closely with our Crime Analysis Unit (CAU) and our partners at South Sound 911 (SS911) to be able to identify the people involved in this network of criminal activity.

Intel is gathered from police reports around the region, social medial, informants, etc.

# Criminal Investigations

## Kia / Hyundai Task Force

On March 15, 2024, The Tacoma Police Department, in coordination with the Puget Sound Auto Theft Task Force (PSATT) and the Hyundai motor company, hosted a software updating event at the Tacoma Dome. The updated software is designed to prevent theft.
