Production Company Name: _____

Authorized Agent: _____

Background: Film production is defined as feature film, television and commercial shooting, or still photography. Our office may be able to assist you by providing location and contact information to accommodate your production. The City of Tacoma will issue a permit for filming and also assist in logistical support, e.g., police, fire, street closures by connecting you with the appropriate agency, department or division.

Procedure: The applicant agrees to obtain a **Master Film Permit** from the Tacoma Venues & Events Department, (253) 573-2523 and to pay any and all fees attendant thereto. There is a \$50/\$100* permit fee required. If additional City services are required, those costs will be invoiced after the permit is issued. The permit form requests information regarding crew size, locations to be used, shooting schedules and hours of shooting. Following receipt of the permit application, a meeting may be held with the Production Company, appropriate city departments/divisions and agencies to finalize logistic details.

City Services: Will be charged as follows:

Police Services Per Officer – contact Sgt. Jason Mills, Special Events Sgt. at (253) 573-2366 for an estimate and availability for off-duty police officers.

If City personnel/services are required for an extended period of time or outside normal business hours, additional fees may be charged. However, this can be determined during the initial permit application. The City does not provide barricades or traffic control plans; they must be obtained through private companies.

All other traffic control including traffic control plans, barricades, no-park signs, portable restrooms, etc., are the responsibility of the permittee, and are not paid for or supplied by the City of Tacoma.

Certificate of Insurance: The Producer shall attach a certificate of insurance, naming the City of Tacoma as an additional insured, in the amount of \$1,000,000.00 general liability**, including bodily injury and property damage. The City of Tacoma, its corporate authorities, elected officials, officer boards, commissions, attorneys, employees and agents are made additional insured under Policy Number [redacted] with respect to any and all claims which arise out of or are in any way related to the operations of the above named film production company while present in the City of Tacoma.
