Distribution of Data

shared vision | shared future

Purpose of the Equity Index

Tacoma is an inclusive and equitable place to

Live, Learn, Work, and Play

Identify and Track Disparities

- Identify disparities in outcomes faced by those most likely to experience inequity and track them over time

Support Data-Driven Decision-Making

- Guide decisions about the allocation of resources and policy development

Increase Transparency and Accountability

- Increase transparency and accountability and give communities tools to share in successes and advocate for change

Why Address Inequities?

- Inequities did not occur overnight or naturally
- They were created by a history of racist systems, policies, and practices
- They Prevent us from achieving our community's vision (2025)

Redlining History

HOLC Grade

-  A "Best"
-  B "Still Desirable"
-  C "Definitely Declining"
-  D "Hazardous"

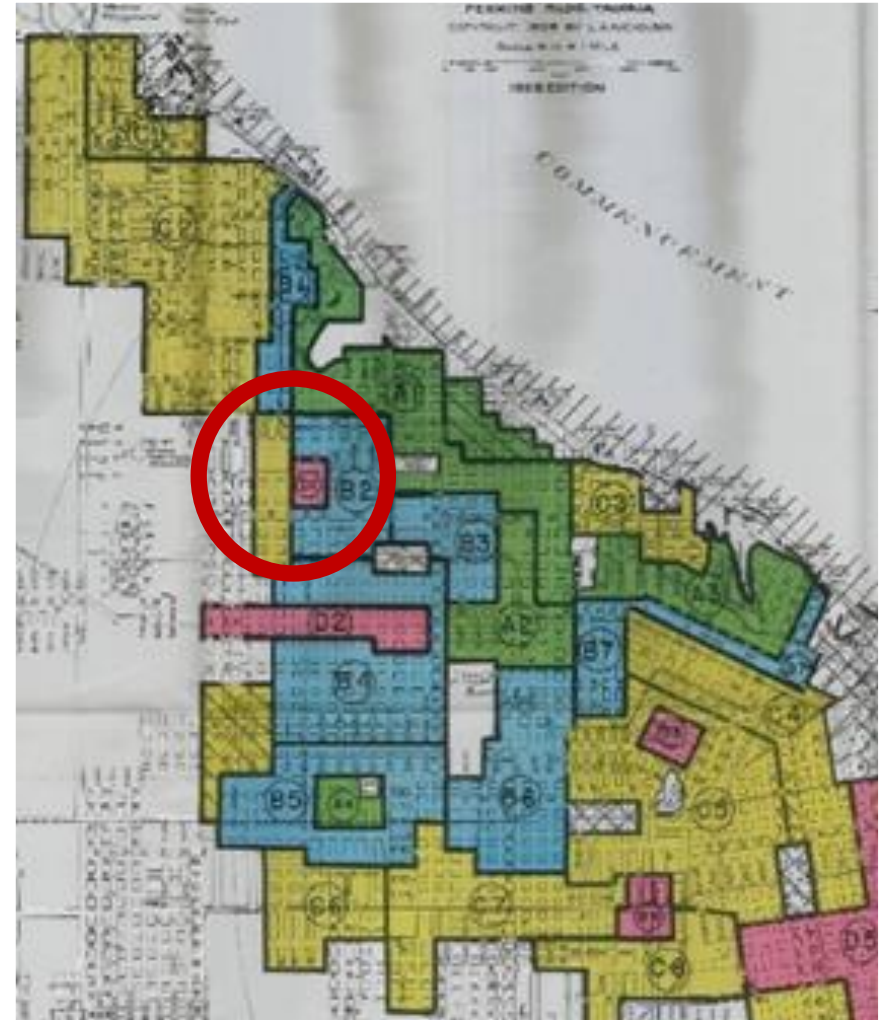

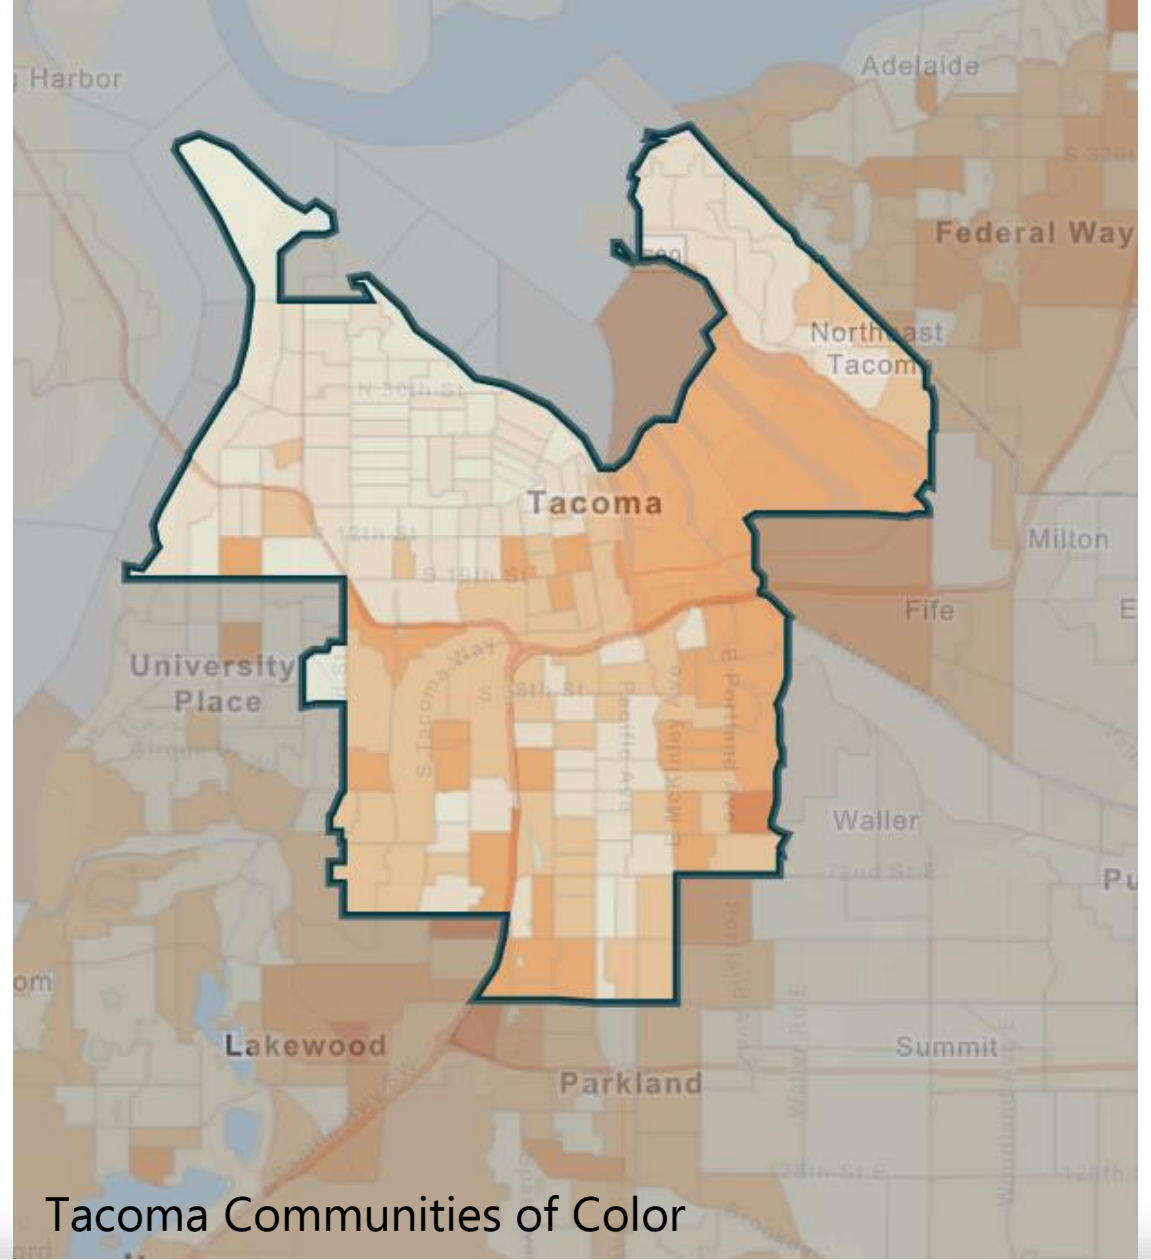

Home Owners Loan Corporation Assessment

HOLC Grade	
	A "Best"
	B "Still Desirable"
	C "Definitely Declining"
	D "Hazardous"

“**Three highly respected Negro families** own homes and live in the middle block of this area facing Verde Street. While very much **above the average of their race**, it is quite generally recognized by Realtors that their presence seriously detracts from the desirability of their immediate neighborhood.”
