An Ordinance of the Pierce County Council Acknowledging Approval of an Interlocal Agreement with the City of Tacoma Regarding the Annexation of an Unincorporated Urban Area in the “Manitou Potential Annexation Area” Utilizing the Procedures Set Forth in Revised Code of Washington (RCW) 35.13.470, and Authorizing the Pierce County Executive to Execute Said Agreement; Authorizing the Executive to Enter into a Memorandum of Understanding Regarding the Transition of Governmental Services Related to Said Annexation; and Adopting Findings of Fact.

Whereas, the Pierce County Regional Council (PCRC) was created in 1992 by an interlocal agreement among the cities and towns of Pierce County and Pierce County, and charged with responsibilities, including, but not limited to, serving as a local link to the Puget Sound Regional Council, promoting intergovernmental cooperation, facilitating compliance with the Growth Management Act (GMA) and the Multicounty Planning Policies, and developing a consensus among jurisdictions regarding the development and modification of the Countywide Planning Policies; and

Whereas, the Pierce County Countywide Planning Policies (CPPs) are written policy statements which are to be used solely for establishing a countywide framework from which the County and County Municipal Comprehensive Plans are developed and adopted; and

Whereas, the CPPs direct the County to consult with its cities and towns and designate Potential Annexation Areas (PAAs) through the County Comprehensive Plan; and

Whereas, the CPPs identify unincorporated “islands” as the County’s highest priority for annexation; and
Whereas, Pierce County adopted an updated Pierce County Comprehensive Plan through Ordinance No. 2015-40; and

Whereas, the 2015 Comprehensive Plan update designated certain unincorporated urban areas as Potential Annexation Areas; and

Whereas, Section 35.13.470 of the Revised Code of Washington (RCW) allows Pierce County to enter into an interlocal agreement with a city to annex an area within its PAA when at least 60 percent of the boundary of the area is contiguous with a city; and

Whereas, RCW 35.13.470 allows either the legislative body of a county or city to initiate an annexation process by adopting a resolution commencing negotiations for an interlocal agreement; and

Whereas, the proposed annexation area meets the requirements of RCW 35.13.470; and

Whereas, Pierce County (County) and the City of Tacoma (City) staff jointly held a community meeting on May 14, 2018 to inform the property owners and residents of the potential annexation of the area, present information on the process, and solicit questions and comments; and

Whereas, the County passed Resolution No. R2018-97 on September 4, 2018, directing the Planning and Public Works Department to conduct a public hearing jointly with the City of Tacoma for the purpose of soliciting public comment regarding the potential annexation of the unincorporated Manitou area; and

Whereas, the City Council passed Resolution No. 40150 on October 30, 2018, initiating the planning process and negotiation of an interlocal agreement with Pierce County regarding the proposed annexation of the Manitou Potential Annexation Area; and

Whereas, the County and the City jointly held another community meeting on December 10, 2018, to follow up on questions raised at the May 2018 community meeting; and

Whereas, between July 2018 and August 2019, the City held many Planning Commission study sessions and hearings, and a City Council hearing to evaluate the annexation proposal and to develop pre-annexation zoning for the area; and
Whereas, in early and mid-2020, the pandemic delayed annexations activities; and

Whereas, the City and the County completed their negotiations in June 2021; and

Whereas, the City hosted a virtual community meeting on June 30, 2021 to provide the status and answer questions on the annexation efforts; and

Whereas, RCW 35.13.470 requires a public hearing to be held by each legislative body, separately or jointly, before the agreement is executed; and

Whereas, RCW 35.13.470 requires that each legislative body holding a public hearing shall, separately or jointly, publish the agreement at least once a week for two weeks before the date of the hearing in one or more newspapers of general circulation within the territory proposed for annexation; and

Whereas, the County published the proposed agreement twice during the period of September 8, 2021 and September 15, 2021 in The News Tribune; and

Whereas, the Pierce County Council held a public hearing on September 28, 2021; and

Whereas, the City will publish notice of the proposed effective date of the annexation, together with a description of the property to be annexed as required by RCW 35A.14.460(4); Now Therefore,

BE IT ORDAINED by the Council of Pierce County:

Section 1. The Pierce County Council hereby approves an interlocal annexation agreement with the City of Tacoma regarding the annexation of unincorporated territory pursuant to the procedures set forth in RCW 35.13.470. The Executive is hereby authorized to enter into said agreement, which is substantially in the form as shown in Exhibit A, which is attached hereto and incorporated herein by reference.

Section 2. The Pierce County Council hereby authorizes the Executive to enter into a memorandum of understanding regarding the transition of governmental services associated with the interlocal annexation agreement described in Section 1 above. Said memorandum of understanding, which is substantially in the form as shown in Exhibit B, which is attached hereto and incorporated herein by reference.
Section 3. Findings of Fact are hereby adopted as shown in Exhibit C, which is attached hereto and incorporated herein by reference.

PASSED this 28th day of September, 2021.

6.6 **Accepting County Conditions.** Following annexation and transfer of a development application to the City for handling, the conditions of approval for all building and land use permits and preliminary plat applications in the annexed area will continue to apply as required by law.

6.7 **Permit Fees.** In order to cover the cost of processing building and land use permits submitted to the County prior to the Annexation Date, the County is authorized to collect fees for those permits after the Annexation Date. On December 2, 2014, Pierce County adopted Ordinance 2014-28 establishing a Transportation Benefit District (TBD), which encompassed all of the unincorporated areas of Pierce County at the time of the establishment of the TBD. Ordinance 2014-28 is silent as to how the annexation would affect the boundaries of the TBD. Therefore, the County will review this issue and consider options to forward to the TBD Governing Board to address the impact of annexations on the boundaries of the TBD.

SECTION 10. TRANSFER OF DOCUMENTS

10.1 County Records to be Transferred. Prior to and after the Annexation Date and upon the City’s reasonable written request, the County will provide the City copies of requested County records (except for privileged documents) from the County Planning and Public Works Department pertaining to the transfer of jurisdictions, services, land use permitting from the County to the City. Such records may include, but are not limited to, the following:

SECTION 11. CONSULTATION

11.1 General. The Parties agree that any time the words “consult”, “confer”, or
“consultation” are used in this MOU, that the word is referencing the process provided in
this Section regardless if this Section is specifically identified in the text of the MOU.

11.2 Consultation. The Parties agree that the following is the minimum required
for consultation:

11.2.1 Notice. The County shall consider the City a party of record for all Affected
Projects, and provide the City with the Notices of Application, Hearing, and

(10) working days to the City paper or electronic copies of all of the
materials in its possession that were submitted as part of the permit
application for which the City received a notice under Section 6.3.1.

11.2.3 Comments. The City shall provide written comments and any requested
mitigation measures within twenty-eight (28) working days of the receipt of
the materials identified in section 10.2.2. The County shall provide a written
response to the City within twenty-eight (28) working days from the date of
receipt of the City’s comment letter.
11.2.4 Subsequent Submittals. The Parties agree that if the City previously requested copies under Section 11.2.2 and/or provided comments under Section 11.2.3, the County shall automatically provide to the City within ten (10) working days all additional or resubmitted materials for that Affected Project. 11.2.5 Technical Review Meetings. The County shall provide the City notice at least seven (7) days prior to any technical review meetings for Affected Projects. The City shall be allowed and encouraged to attend all Customer Information Meetings, building permit pre-construction conferences and/or technical review meetings for Affected Projects.

11.2.6 Project Conditions of Approval and Mitigation. The Parties agree to negotiate in good faith to jointly identify conditions of approval and/or mitigation measures for an Affected Project. Final approval will remain with the jurisdiction having regulatory authority at the time of project review and approval.

SECTION 12. TERM

12.1 Duration. This MOU shall remain in effect for five (5) years after the Annexation Date unless terminated earlier in accordance with Section 12.2.

12.2 Termination.

12.2.1 Either Party may terminate the MOU upon ninety (90) days’ advance written notice to the other Party. Notwithstanding the expiration or earlier termination of the MOU, the County and City shall remain responsible for fulfilling any outstanding obligations under this MOU that were incurred prior to the date on which the MOU expired or terminated.
12.2.2 This MOU shall be terminated immediately if a referendum petition is filed within the allotted time period and the resulting annexation vote defeats the proposed annexation.

SECTION 13. GENERAL PROVISIONS

13.1 Notices, Demands, and Communications. Formal notices, demands, and communications between the City and the County shall be sufficient if given and shall not be deemed given unless dispatched by certified mail, postage prepaid, returned receipt requested, or delivered personally, to the principal offices of the City and the County as follows:

13.2 Indemnification and Defense.

13.2.1 To the extent permitted by law, the City and the County shall protect, defend, indemnify, and save harmless each other, their respective officers, officials, employees, and agents, while acting within the scope of their employment as such, from any and all costs, claims, judgment, and/or awards of damages, arising out of, or in any way resulting from, Indemnifying Party's negligent acts or omissions. Neither the City nor the County will be required to indemnify, defend, or save harmless each other if the claim, suit, or action for injuries, death, or damages is caused by the sole negligence of the other party. Where such claims, suits, or actions result from concurrent negligence of the City and the County, the indemnity provisions provided herein shall be valid and enforceable only to the extent
of the City's or the County's own negligence. The City and the County agree that their respective obligations under this subsection extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, the City and the County, by mutual negotiation, hereby waive, with respect to the other party only, any immunity that would otherwise be available against such claims under the industrial insurance provisions of Title 51 RCW. In the event that the City or the County incurs any judgment, award, and/or cost arising therefrom, including attorneys' fees, to enforce the provisions of this section, all such fees, expenses, and costs shall be recoverable by the prevailing party. This indemnification shall survive the termination of this Agreement.

13.2.2 In the event that one Party defends the other, the defending Party shall have the sole right to select legal counsel to defend against the claim, demand, or cause of action. In the event that defense is undertaken, the defending Party shall be empowered to settle or compromise the claim, demand, or cause of action, and the defended Party shall not interfere therewith, provided that if the defending Party settles a claim, demand, or cause of action against the other Party without that Party’s consent, the non-consenting Party shall not be liable for any settlement or fees.

13.3 Amendments. This MOU may be amended or modified in accordance with applicable laws, rules or regulations, and upon mutual consent of the Parties, such mutual consent of the Parties shall be evidenced by a written amendment signed by the Parties.

13.4 Rights Reserved. Nothing in this MOU is intended to waive or limit the rights of the Parties to require mitigation for any impact as allowed by federal, state, or local laws and ordinances including, but not limited to environmental impacts governed by Chapter 43.21C RCW or mitigation fees governed by RCW 82.02.050.

13.5 Boundary Review Board Fee Waiver. For the Notice of Intent to annex, a city or town is required to pay a fee of $50 (RCW 36.93.120) to the Pierce County Boundary Review Board (BRB). The fee supports administrative tasks that facilitate the annexation proposal as related to BRB responsibilities. RCW 36.93.070 assigns the financial responsibilities for operating
the BRB to Pierce County. The County therefore has the authority to waive the fee by absorbing the expense into the County’s normal general fund support of the BRB. The County will waive the Notice of Intent to annex fee associated with the Manitou PAA annexation.

13.6 Title of Parts and Sections. Any titles of the parts, sections, or subsections of this MOU are inserted for convenience of reference only and shall be disregarded in construing or interpreting any part of its provisions.

13.7 Applicable Law. This MOU shall be interpreted under and pursuant to the laws of the State of Washington.

13.8 Severability. If any term, provision, covenant, or condition of this MOU is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions shall continue in full force and effect unless the rights and obligations of the Parties have been materially altered or abridged by such invalidation, voiding, or unenforceability.

13.9 Legal Actions. In the event any legal action is commenced to interpret or to enforce the terms of this MOU, or to collect damages as a result of any breach of the MOU, the Party prevailing in any such action shall be entitled to recover against the Party not prevailing all reasonable attorneys’ fees and costs incurred in the action.

13.10 Joint Board. This MOU does not establish or create a separate legal administrative entity, joint board, or joint budget authority to accomplish the purposes of the MOU.

13.11 Recordation. Within ten (10) days after the effective date of this MOU, the Clerk of the County Council shall have this MOU recorded with the County Auditor/Recorder of Pierce County. In the alternative, the Parties may mutually agree to post this MOU electronically on their websites.

13.12 Execution of Other Documentation. The City and the County agree to execute any further documentation that may be necessary to carry out the intent and obligations under this MOU.
13.13 **Complete Understanding of the Parties.** This MOU is executed in two (2) duplicate originals, each of which is deemed to be an original. This MOU consists of 19 pages and four (4) attachments, and constitutes the entire understanding and agreement of the Parties.

A RESOLUTION authorizing the execution of an Interlocal Agreement with Pierce County for the annexation of the Manitou Potential Annexation Area, located near Lakewood Drive West and 66th Street West, and authorizing the execution of a Memorandum of Understanding for the transition of governmental services related to said annexation.

WHEREAS the Manitou Area (“Manitou”) is a 37-acre area located near Lakewood Drive West and 66th Street West, abutting the southwest corner of the City, and is one of the City’s Urban Growth Areas (“UGAs”) and Potential Annexation Areas (“PAAs”), as designated in the City’s One Tacoma Comprehensive Plan and Pierce County’s (“County”) Comprehensive Plan, pursuant to the State Growth Management Act (“Act”), and

WHEREAS as a designated UGA and PAA, Manitou’s annexation to the City is expected by the Act, to ensure urban growth in the area is properly and effectively supported by urban governmental services, and

WHEREAS Manitou is surrounded by both the City and University Place on all sides, making the area an unincorporated “island” of the County where future annexation to the City is considered a high priority in regional and countywide planning policies, and

WHEREAS as a designated UGA with more than 60 percent of its boundaries contiguous with the City, Manitou should be annexed to the City through the Interlocal Agreement (“ILA”) method, pursuant to the Revised Code of Washington (“RCW”) 35.13.470, which allows either the legislative body of a county or city to initiate an annexation process by adopting a resolution commencing negotiations for an ILA, and
WHEREAS the County Council passed Resolution No. R2018-97 on September 4, 2018, and the City Council adopted Resolution No. 40150 on October 30, 2018, to initiate the annexation process and commence negotiations for said ILA, and

WHEREAS County and City staff jointly conducted community meetings on May 14, 2018, December 10, 2018, April 26, 2019, and June 30, 2021, to inform property owners, residents, businesses, and stakeholders of the potential annexation of the area, present information on the process, and solicit comments and suggestions, and

WHEREAS County and City staff completed negotiations of the ILA, as well as an associated Memorandum of Understanding (“MOU”), in June 2021, and

WHEREAS the ILA governs the proceeding of the annexation of Manitou, and the MOU sets forth the transition of governmental services from the County to the City, and

WHEREAS as directed by the City Council per Resolution No. 40150, the Tacoma Planning Commission conducted land use and zoning analysis for Manitou, and developed the proposed land use designations and zoning districts for the area to be effective upon its annexation to the City, and

WHEREAS the proposal was adopted by the City Council on September 24, 2019, per Ordinance No. 28609, and has been incorporated into the MOU, and

WHEREAS pursuant to RCW 35.13.470, the City Council conducted a public hearing on the ILA and MOU on August 31, 2021, per the recommendation
of the Government Performance and Finance Committee on July 20, 2021; the County Council also conducted a public hearing on September 28, 2021, and approved Ordinance No. 2021-81s, authorizing the Pierce County Executive to execute the ILA and MOU with the City, and

WHEREAS, upon its annexation to the City, Manitou residents and businesses will enjoy the same services, facilities, infrastructure, employment opportunities, and governmental representation as other City residents, and it is in the best interest of the City to execute the ILA and MOU with Pierce County, and proceed to accomplish the proposed annexation of Manitou in accordance with RCW 35.13.470; Now, Therefore,

11.2.2 **Materials.** Upon request of the City, the County will provide within ten (10) working days to the City paper or electronic copies of all of the materials in its possession that were submitted as part of the permit application for which the City received a notice under Section 6.3.1.
11.2.3 Comments. The City shall provide written comments and any requested mitigation measures within twenty-eight (28) working days of the receipt of the materials identified in section 10.2.2. The County shall provide a written response to the City within twenty-eight (28) working days from the date of receipt of the City’s comment letter.

11.2.4 Subsequent Submittals. The Parties agree that if the City previously requested copies under Section 11.2.2 and/or provided comments under Section 11.2.3, the County shall automatically provide to the City within ten (10) working days all additional or resubmitted materials for that Affected Project. The City shall provide written comments and any requested mitigation measures within twenty-one (21) working days of the receipt of the subsequent submittals. The County shall provide a written response to the City within twenty-one (21) working days from the date of receipt of the City’s comment letter. This process shall be repeated for all subsequent submittals for an Affected Project.

11.2.5 Technical Review Meetings. The County shall provide the City notice at least seven (7) days prior to any technical review meetings for Affected Projects. The City shall be allowed and encouraged to attend all Customer Information Meetings, building permit pre-construction conferences and/or technical review meetings for Affected Projects.

11.2.6 Project Conditions of Approval and Mitigation. The Parties agree to negotiate in good faith to jointly identify conditions of approval and/or mitigation measures for an Affected Project. Final approval will remain with the jurisdiction having regulatory authority at the time of project review and approval.

SECTION 12. TERM

12.1 Duration. This MOU shall remain in effect for five (5) years after the Annexation Date unless terminated earlier in accordance with Section 12.2.

12.2 Termination.
12.2.1 Either Party may terminate the MOU upon ninety (90) days’ advance written notice to the other Party. Notwithstanding the expiration or earlier termination of the MOU, the County and City shall remain responsible for fulfilling any outstanding obligations under this MOU that were incurred prior to the date on which the MOU expired or terminated.

12.2.2 This MOU shall be terminated immediately if a referendum petition is filed within the allotted time period and the resulting annexation vote defeats the proposed annexation.

SECTION 13. GENERAL PROVISIONS

13.1 Notices, Demands, and Communications. Formal notices, demands, and communications between the City and the County shall be sufficient if given and shall not be deemed given unless dispatched by certified mail, postage prepaid, returned receipt requested, or delivered personally, to the principal offices of the City and the County as follows:

13.2 Indemnification and Defense.

13.2.1 To the extent permitted by law, the City and the County shall protect, defend, indemnify, and save harmless each other, their respective officers, officials, employees, and agents, while acting within the scope of their employment as such, from any and all costs, claims, judgment, and/or awards of damages, arising out of, or in any way resulting from,
Indemnifying Party's negligent acts or omissions. Neither the City nor the County will be required to indemnify, defend, or save harmless each other if the claim, suit, or action for injuries, death, or damages is caused by the sole negligence of the other party. Where such claims, suits, or actions result from concurrent negligence of the City and the County, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the City's or the County's own negligence. The City and the County agree that their respective obligations under this subsection extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, the City and the County, by mutual negotiation, hereby waive, with respect to the other party only, any immunity that would otherwise be available against such claims under the industrial insurance provisions of Title 51 RCW. In the event that the City or the County incurs any judgment, award, and/or cost arising therefrom, including attorneys' fees, to enforce the provisions of this section, all such fees, expenses, and costs shall be recoverable by the prevailing party. This indemnification shall survive the termination of this Agreement.

13.2.2 In the event that one Party defends the other, the defending Party shall have the sole right to select legal counsel to defend against the claim, demand, or cause of action. In the event that defense is undertaken, the defending Party shall be empowered to settle or compromise the claim, demand, or cause of action, and the defended Party shall not interfere therewith, provided that if the defending Party settles a claim, demand, or cause of action against the other Party without that Party's consent, the non-consenting Party shall not be liable for any settlement or fees.

13.3 Amendments. This MOU may be amended or modified in accordance with applicable laws, rules or regulations, and upon mutual consent of the Parties, such mutual consent of the Parties shall be evidenced by a written amendment signed by the Parties.

13.4 Rights Reserved. Nothing in this MOU is intended to waive or limit the rights of the Parties to require mitigation for any impact as allowed by federal, state, or local laws and
ordinances including, but not limited to environmental impacts governed by Chapter 43.21C RCW or mitigation fees governed by RCW 82.02.050.

13.5 **Boundary Review Board Fee Waiver.** For the Notice of Intent to annex, a city or town is required to pay a fee of $50 (RCW 36.93.120) to the Pierce County Boundary Review Board (BRB). The fee supports administrative tasks that facilitate the annexation proposal as related to BRB responsibilities. RCW 36.93.070 assigns the financial responsibilities for operating the BRB to Pierce County. The County therefore has the authority to waive the fee by absorbing the expense into the County’s normal general fund support of the BRB. The County will waive the Notice of Intent to annex fee associated with the Manitou PAA annexation.

13.6 **Title of Parts and Sections.** Any titles of the parts, sections, or subsections of this MOU are inserted for convenience of reference only and shall be disregarded in construing or interpreting any part of its provisions.

13.7 **Applicable Law.** This MOU shall be interpreted under and pursuant to the laws of the State of Washington.

13.8 **Severability.** If any term, provision, covenant, or condition of this MOU is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions shall continue in full force and effect unless the rights and obligations of the Parties have been materially altered or abridged by such invalidation, voiding, or unenforceability.

13.9 **Legal Actions.** In the event any legal action is commenced to interpret or to enforce the terms of this MOU, or to collect damages as a result of any breach of the MOU, the Party prevailing in any such action shall be entitled to recover against the Party not prevailing all reasonable attorneys’ fees and costs incurred in the action.

13.10 **Joint Board.** This MOU does not establish or create a separate legal administrative entity, joint board, or joint budget authority to accomplish the purposes of the MOU.

13.11 **Recordation.** Within ten (10) days after the effective date of this MOU, the Clerk of the County Council shall have this MOU recorded with the County Auditor/Recorder of Pierce County. In the alternative, the Parties may mutually agree to post this MOU electronically on their websites.
13.12 Execution of Other Documentation. The City and the County agree to execute any further documentation that may be necessary to carry out the intent and obligations under this MOU.

13.13 Complete Understanding of the Parties. This MOU is executed in two (2) duplicate originals, each of which is deemed to be an original. This MOU consists of 19 pages and four (4) attachments, and constitutes the entire understanding and agreement of the Parties.

The City shall be allowed and encouraged to attend all Customer Information Meetings, building permit pre-construction conferences and/or technical review meetings for Affected Projects.

11.2.6 Project Conditions of Approval and Mitigation. The Parties agree to negotiate in good faith to jointly identify conditions of approval and/or mitigation measures for an Affected Project. Final approval will remain with the jurisdiction having regulatory authority at the time of project review and approval.

SECTION 12. TERM

12.1 Duration. This MOU shall remain in effect for five (5) years after the Annexation Date unless terminated earlier in accordance with Section 12.2.
12.2 Termination.

12.2.1 Either Party may terminate the MOU upon ninety (90) days’ advance written notice to the other Party. Notwithstanding the expiration or earlier termination of the MOU, the County and City shall remain responsible for fulfilling any outstanding obligations under this MOU that were incurred prior to the date on which the MOU expired or terminated.

12.2.2 This MOU shall be terminated immediately if a referendum petition is filed within the allotted time period and the resulting annexation vote defeats the proposed annexation.

SECTION 13. GENERAL PROVISIONS

13.1 Notices, Demands, and Communications. Formal notices, demands, and communications between the City and the County shall be sufficient if given and shall not be deemed given unless dispatched by certified mail, postage prepaid, returned receipt requested, or delivered personally, to the principal offices of the City and the County as follows:

13.2 Indemnification and Defense.

13.2.1 To the extent permitted by law, the City and the County shall protect, defend, indemnify, and save harmless each other, their respective officers, officials, employees, and agents, while acting within the scope of their employment as such, from any and all costs, claims, judgment, and/or
awards of damages, arising out of, or in any way resulting from, Indemnifying Party's negligent acts or omissions. Neither the City nor the County will be required to indemnify, defend, or save harmless each other if the claim, suit, or action for injuries, death, or damages is caused by the sole negligence of the other party. Where such claims, suits, or actions result from concurrent negligence of the City and the County, the indemnity provisions provided herein shall be valid and enforceable only to the extent of the City's or the County's own negligence. The City and the County agree that their respective obligations under this subsection extend to any claim, demand, and/or cause of action brought by, or on behalf of, any of its employees or agents. For this purpose, the City and the County, by mutual negotiation, hereby waive, with respect to the other party only, any immunity that would otherwise be available against such claims under the industrial insurance provisions of Title 51 RCW. In the event that the City or the County incurs any judgment, award, and/or cost arising therefrom, including attorneys' fees, to enforce the provisions of this section, all such fees, expenses, and costs shall be recoverable by the prevailing party. This indemnification shall survive the termination of this Agreement.

13.2.2 In the event that one Party defends the other, the defending Party shall have the sole right to select legal counsel to defend against the claim, demand, or cause of action. In the event that defense is undertaken, the defending Party shall be empowered to settle or compromise the claim, demand, or cause of action, and the defended Party shall not interfere therewith, provided that if the defending Party settles a claim, demand, or cause of action against the other Party without that Party’s consent, the non-consenting Party shall not be liable for any settlement or fees.

13.3 Amendments. This MOU may be amended or modified in accordance with applicable laws, rules or regulations, and upon mutual consent of the Parties, such mutual consent of the Parties shall be evidenced by a written amendment signed by the Parties.
13.4 Rights Reserved. Nothing in this MOU is intended to waive or limit the rights of the Parties to require mitigation for any impact as allowed by federal, state, or local laws and ordinances including, but not limited to environmental impacts governed by Chapter 43.21C RCW or mitigation fees governed by RCW 82.02.050.

13.5 Boundary Review Board Fee Waiver. For the Notice of Intent to annex, a city or town is required to pay a fee of $50 (RCW 36.93.120) to the Pierce County Boundary Review Board (BRB). The fee supports administrative tasks that facilitate the annexation proposal as related to BRB responsibilities. RCW 36.93.070 assigns the financial responsibilities for operating the BRB to Pierce County. The County therefore has the authority to waive the fee by absorbing the expense into the County’s normal general fund support of the BRB. The County will waive the Notice of Intent to annex fee associated with the Manitou PAA annexation.

13.6 Title of Parts and Sections. Any titles of the parts, sections, or subsections of this MOU are inserted for convenience of reference only and shall be disregarded in construing or interpreting any part of its provisions.

13.7 Applicable Law. This MOU shall be interpreted under and pursuant to the laws of the State of Washington.

13.8 Severability. If any term, provision, covenant, or condition of this MOU is held by a court of competent jurisdiction to be invalid, void, or unenforceable, the remainder of the provisions shall continue in full force and effect unless the rights and obligations of the Parties have been materially altered or abridged by such invalidation, voiding, or unenforceability.

13.9 Legal Actions. In the event any legal action is commenced to interpret or to enforce the terms of this MOU, or to collect damages as a result of any breach of the MOU, the Party prevailing in any such action shall be entitled to recover against the Party not prevailing all reasonable attorneys’ fees and costs incurred in the action.

13.10 Joint Board. This MOU does not establish or create a separate legal administrative entity, joint board, or joint budget authority to accomplish the purposes of the MOU.

13.11 Recordation. Within ten (10) days after the effective date of this MOU, the Clerk of the County Council shall have this MOU recorded with the County Auditor/Recorder of Pierce County.
County. In the alternative, the Parties may mutually agree to post this MOU electronically on their websites.

13.12 **Execution of Other Documentation.** The City and the County agree to execute any further documentation that may be necessary to carry out the intent and obligations under this MOU.

13.13 **Complete Understanding of the Parties.** This MOU is executed in two (2) duplicate originals, each of which is deemed to be an original. This MOU consists of 19 pages and four (4) attachments, and constitutes the entire understanding and agreement of the Parties.
