Subject: Msg to Landmarks Commission Re: Gault Middle School
Date: Wednesday, September 27, 2023 9:39:25 AM

Landmarks Commission,

To follow up on last year's demolition permit by the Tacoma School District, I am asking the Commission to take proactive action by adding Gault Middle School to the existing group of schools on the historic register as the district is yet again seeking demolition. You already have all the background information necessary to do so. I am happy to track down any additional information if needed. Thank you.

Best,
Morgan Alexander
