Location: Meet at Parable, 3502 McKinley Ave, Suite A

Event will include an approximately 1-mile walk around the neighborhood

McKinley Hill Neighborhood Planning Program

Walk + Talk: Neighborhood Mapping and Walkability in McKinley

Monday, May 9
6 - 7p.m.

Meet at Parable, 3502 McKinley Ave, Suite A

Event will include an approximately 1-mile walk around the neighborhood

Event details

Join us for this community walk to talk about opportunities to improve walkability, business district vitality, and opportunities to integrate arts into the business district in McKinley Hill. The event will also include a neighborhood mapping activity for you to share with us where you'd like to see improvements made in the neighborhood. City staff will also be on hand to share information about ongoing City of Tacoma programs to calm traffic and enhance arts and identity in the business district, respond to questions, and talk about next steps to implement your vision for the neighborhood.

About the Neighborhood Planning Program

This event is part of the City of Tacoma's pilot Neighborhood Planning Program, which provides enhanced planning and development support to help communities create strong, vibrant, and diverse neighborhoods. In McKinley Hill, the Neighborhood Planning Program is addressing issues such as neighborhood identity and art, business district vitality, traffic calming and walkability, recreation and open space opportunities, housing and affordability, community capacity-building, and other special projects as identified by the community.

Throughout 2022, we will hold events for you to share your feedback about different issues and topics. Learn more at: <https://cityoftacoma.org/neighborhoodplanning>, or email us at neighborhoodplanning@cityoftacoma.org to be added to our email list.
