MCKINLEY NEIGHBORHOOD PLAN

- Community-identified goals:
  - Business district vitality—a strong business district with McKinley’s unique sense of place, public art, and amenities for all ages.
  - Transportation—to have safe, accessible connections in and out of the neighborhood for people walking, rolling, biking, and on transit.
  - Open space—to have abundant, active, and well-maintained greenery and public spaces that contribute to neighborhood identity.
  - Development—growth that adds options for food, housing, services, and amenities in the neighborhood.
