

GROUP NORMS

Discussion guidelines for our work together:

- **Respect each other's time.** As much as possible, please be on time, attend meetings, and come prepared. Listen to each other for understanding.
- **Take space, make space.** Share your ideas, then step back to actively listen. If you're talkative, remember to step back; if you're quiet, remember to step up.
- **Expect the best.** When someone says something, assume the best intentions; ask clarifying questions. And keep in mind that sometimes impact is different than intent.
- **Be positive and solution oriented.** Keep moving forward. Be aware of what we can and cannot change.
- **Know that you are valued.** You are making a big contribution to the Proctor neighborhood – thank you!
