

PRESENTATION(S)

Special Meeting on April 5, 2023

<u>Agenda Item(s)</u>	<u>Page</u>
1. Safety Training for Planning Commissioners (PowerPoint slides for Agenda Item C)	3 – 25

PREPARED FOR
CITY COUNCIL
APRIL 2023

EMERGENCY RESPONSE TRAINING

TACOMA SAFETY

AGENDA

- Basic Procedures
 - Contacting Emergency Services
 - Fire Extinguishers
 - First Aid Kits & AEDs
 - Fire Drills
 - Evacuation Procedures
 - Evacuation Points
 - Earthquake Procedures/Drill
- Active Threat

TACOMA SAFETY

SHARED RESPONSIBILITY MODEL

EVERYONE IS RESPONSIBLE FOR THEIR OWN SAFETY AS WELL AS THOSE AROUND THEM

Know How to Sweep and Evacuate

Know the Locations of First Aid Kits

Know the Locations of AED

Know the Locations of Fire Extinguishers

Know Multiple Ways to Exit the Building

CONTACTING EMERGENCY SERVICES

911 or 9-911 both work

- If you accidently call 911
DO NOT HANG UP!

Step 1

Call Emergency
Services:
911

Step 2

Notify Security

Know the Address
747 Market Street,
Tacoma, WA, 98402

Step 3

Recruit Spotters to
help direct first
responders

FIRE EXTINGUISHERS

- Located throughout the complex (mostly in hallways)
- Only use on small fires no larger than a garbage can
- Pull the pin and sweep the base of the flames
- DO NOT put yourself in harm's way!

FIRST AID KITS & EMERGENCY DEFIBRILLATOR (AED)

- Some evacuation maps (located by the elevators) have the locations of first aid kits marked with a green + and AEDs with a red heart symbol.
- Do not provide first aid that extends beyond the training you have received.

Know Your Exits

Do regular drills to build muscle memory. In the event of a real fire, it will be dark and hard to see. You will need to know where to go instinctively

Real Event

Warning signals may include announcements, a fire alarm, and strobes. In response, everyone will evacuate the building safely.

EVACUATION PROCEDURES

- Remain Calm
- Do Not Use the Elevator
- Move towards the exit- DO NOT go back into the building

Step 1

Alarm Sounds
Lights Strobe

Step 2

Locate Nearest Exit and
Evacuate. Look for
Others that May Need
Assistance

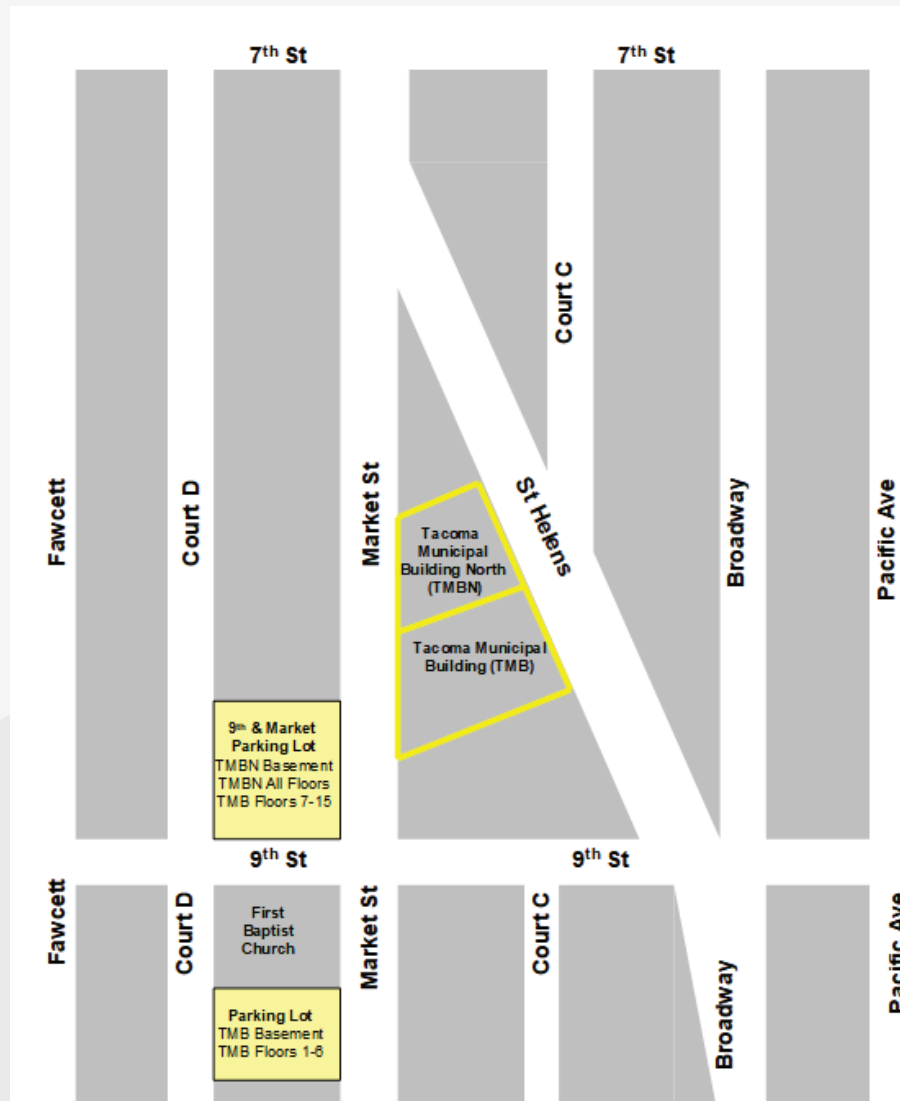

Step 3

Congregate in
Evacuation Location
and Wait for "All Clear"

- If you need assistance during an evacuation, please make sure people in your work area know so they can help

EVACUATION POINTS

Stay on the sidewalk and off the street, so emergency vehicles can access the building

EARTHQUAKE PROCEDURES

- DROP – COVER – HOLD
- DO NOT attempt to enter or leave a building during an earthquake
- Annual participation in the Shake Out

**Get
Ready to
Shake
Out.**

DROP! COVER! HOLD ON!

October 18, 10:18 a.m.

**Shake
Out™**

ACTIVE THREAT

Disclaimer:

- This presentation deals with some very serious and somewhat disturbing realities of our lives.
- This presentation is advisory in nature and is NOT intended to identify ALL scenarios or situations where a response to an emergency is necessary.
- Follow your instincts, along with guidance from this presentation.
- Following these guidelines will not guarantee your safety in every situation.

ACTIVE SHOOTER DEFINITION

An Active Shooter is an individual actively engaged in killing or attempting to kill people in a confined and populated area; in most cases, active shooters use firearms(s) and there is no pattern or method to their selection of victims.
