Homicide Investigation – 2100 block of East George Street

Tacoma, Wash. – On April 18, at 11:12 p.m., South Sound 911 received reports of a male who was being driven to the hospital after being shot in the 2100 block of East George Street.

Puyallup Tribal Police responded to the 2100 block of East George Street, which is Tribal trust land, and requested that a Tacoma officer respond to the hospital.

The 31-year-old male victim was declared deceased at the hospital.

Today, the Tacoma Police Department was consulted regarding this case and agreed to head up the investigation.

This is being investigated as a homicide. Anyone with information regarding this crime is asked to call Crime Stoppers at 1-800-222-TIPS.
