Primary Vocabulary

Tacoma SRTS Elementary Pedestrian Curriculum
Pedestrian
Someone who walks or who moves about using a wheelchair.

Action: walk around the gym
Bicyclist
Someone who rides a bicycle.

Action: lay on your back and do bicycle crunches
Vehicle

Something with wheels you can use to get around. Most are powered by motors with the exception of bicycles. Bicycles are also vehicles because they follow the same traffic laws as cars.

Action: run laps around the gym, turning an imaginary steering wheel
Edge
A border or outside limit of an area. In this case, where the sidewalk meets the road.

Action: point to an imaginary line at your feet
Signal

A gesture, picture, or sound used to give information or instructions.

Action: jump up while putting your hand out like you’re telling someone to stop
Crosswalk

Any part of an intersection, either marked with white lines or unmarked without white lines, that is for pedestrians crossing a street or road.

Action: walk five steps then look left-right-left
Shoulder

The edge of the road where cars are not driving. Sometimes a white line separates the shoulder from where cars drive. The shoulder is used as a sidewalk if there is no sidewalk.

Action: standing in place, brush each shoulder with opposite hands
Intersection

A place where two or more streets meet and cross each other.

Action: do jumping jacks
