

City of Tacoma

## Questions and Answers

### **East 64<sup>th</sup> Phase II - McKinley to Portland** RFB Specification No. **PW23-0036F**

All interested parties had the opportunity to submit questions in writing by email to Carly Fowler, Senior Buyer. The answers to the questions received are provided below and posted to the City's website at [www.TacomaPurchasing.org](http://www.TacomaPurchasing.org). Navigate to [Current Contracting Opportunities](#) / *Public Works and Improvements Solicitations*, and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

**Question 1: I am emailing to see if I can submit an American made RRFB for consideration for an approved equal to the Canadian made Carmanah RRFB. I have attached the specs for the Tapco system that is used widely in the NW. Please let me know if you will include this system to be bid.**

**Answer 1:** The City is not interested in changing from what is specified.
