The answers to the received questions are provided below and posted to the City's website at www.TacomaPurchasing.org: Navigate to *Current Contracting Opportunities / Services*, and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

Question 1: **Are any assets located within a railroad right of way?**

Answer 1: *No*

Question 2: **Will the awarding contractor be required to pay for additional permits/fees not mentioned in this RFP?**

Answer 2: *If there are additional permits or fees, yes. The city does not anticipate there being any addition permits or fees aside from the disposal fees which are to be included in cleaning quotes as described in the RFP.*

Question 3: **Will the city provide a staging area for equipment?**

Answer 3: *No, it is anticipated that each request for cleaning would be completed from the contractor's base location as mobilization is paid per day.*

Question 4: **Will the city provide a wash rack or similar to decant water from the vactor truck tanks?**

Answer 4: *No, the Contractor is responsible for all disposal, solids and liquids as specified in the RFP.*

Question 5: **Will the city provide metered water at no additional cost to the contractor?**

Answer 5: *No, the Contractor will supply water as needed to complete the work.*
