Question 1: I would like to clarify the "Quantity" column on the Price Evaluation Form (Ap. B) Is this quantity the projected number of hours/mobs (and therefore a multiplier)?

Answer 1: Yes, the quantity column is a rough estimate of what we have used and the Price Evaluation Form should be completed and will be used to determine a score for the Fees and Charges criteria. Be sure also to complete and return the rate card which will be used as a pricing exhibit in any resulting contract.
