Project Scope: This Contract shall generally consist of performing repairs to storm and wastewater sewer mains, manholes, and side sewer connections on an urgent, on-call basis for sites not yet determined. Sites may include work within difficult to reach areas such as narrow alleys, natural gulches, and on private property.

Estimate: The total payment to be paid by the City may not exceed \$600,000.00, plus any applicable taxes. The Contractor is not guaranteed this amount. Actual compensation will depend upon the actual services provided during the life of the Contract.
