## 1. BACKGROUND

Since 2013, the City has implemented Department of Justice, the Office of Juvenile Justice & Delinquency Prevention's (OJJDP) Comprehensive Gang Model. This model employs a set of five core strategies (community mobilization, opportunities provision, social intervention, suppression, and organizational change) to reduce youth violence. The result of this RFP will be an enhanced approach to addressing youth and young adult violence including crime prevention services that better fit our community needs by adding the credible messenger model to the existing programming.

To learn more about the City of Tacoma, visit [www.cityoftacoma.org](http://www.cityoftacoma.org).

The City anticipates awarding contracts with multiple agencies.

Submittals submitted and/or the selected Consultant(s) may be used for projects of similar type and scope at the sole discretion of the City for up to one year.

## 2. STANDARD TERMS AND CONDITIONS

City of Tacoma [Standard Terms and Conditions](#) apply.

## 3. MINIMUM REQUIREMENTS

**Respondents to this proposal must demonstrate the following:**

- Experience with providing evidence-based, culturally responsive, and Diversity, Equity and Inclusion (DEI-informed approaches in implementing violence prevention/intervention and human trafficking support and education programming for youth and young adults using the Credible Messenger model (an innovative model of **restorative justice** that relies on the unique relationships that Credible Messengers form with justice-involved youth, and others, to modify individual behavior and strengthen disadvantaged communities.)
- Experience and demonstrated competency working in diverse communities and specifically with the BIPOC community, girls/young women, and LGBTQ+ youth and young adults
- Experience in collaborating with multiple agencies

## 4. SUMMARY OF SCOPE OF SERVICES AND DELIVERABLES

It is the City's intent to select multiple organizations based on qualifications and abilities of the firm and key project individuals.

Our goal is to identify multiple service providers to reduce and prevent youth and young adult violence and human trafficking by implementing the Credible Messenger Model and increasing the number of outreach workers. Poverty, lack of housing and feelings of hopelessness make violence, sexual exploitation, and risky sexual behavior an everyday occurrence for many youths and young adults in our community. Youth and young adult violence and human trafficking is a serious problem that can have lasting harmful effects on victims, perpetrators, families, friends, and the community. Neighborhood and Community Services is seeking culturally-responsive, and DEI-informed approaches to meeting the needs of youth and young adults (10-24 years old). Our identified areas of focus are Hilltop, East Side, and West of Tacoma Mall. Data analysis from the City of Tacoma's Equity Index indicates these areas have

many cost-burdened renters and families living in poverty. The data also indicates that these areas have high graduation rates, yet low post-secondary education and employment opportunities. This data leads us to believe that, while service delivery needs to be implemented across the community, more robust risk-focused secondary prevention and intervention programming is required in these specific geographical areas. Services for this population must be individualized, intensive, comprehensive, and measurable. Providers must demonstrate their ability to work with the population either in group settings or one-on-one.

#### **4.1 SCOPE OF WORK AND DELIVERABLES**

Contractor will submit reports to the City with each invoice. Reports will be submitted monthly. Reports shall include performance and outcome measures as determined by the evaluator. In addition, the reports should include:

- Number of youth/young adults identified as being high-risk
- Number of service providers
- Number of credible messengers
- Number of unduplicated intervention plans created
- Number of hours of mentoring performed
- Number of group meetings held
- Number of community events
- Number of contacts each youth/young adult had with the credible messengers
- Number of youth/young adults enrolled in services as of current date, including a breakdown by each service provider, how many services/appointments each youth attended
- Number of new youth/young adults enrolled in services
- Number of youth/young adults who dropped out of services
- Number of clients reporting an increased sense of safety
- Number of clients reporting feelings of personal value and confidence to make change
- Number of clients reporting the use of community resources
- Number of criminal offenses committed by youth/young adults identified as being high-risk, including both youth/young adults who enrolled in services and youth that did not enroll in services
- Number of credible messengers trained in CBT and DBT
- Number of youth/young adults enrolled in services who were a victim of firearm-related violence during the duration of the program, including the crime type breakdown
- Number of youth/young adults enrolled in services who were a victim of a crime that did not involve a firearm, including the crime type breakdown
- Number of youth/young adults enrolled in services who committed a firearm-related crime during the duration of the program
- Number of youth/young adults enrolled in services that were incarcerated during the duration of the program
- Number of youth/young adults with quality contacts with law enforcement, including a breakdown of each individual quality contact
- Number and date of meetings with TA consultant
- Number and date of FIT training, including attendance
- Number and date of work group meetings, including attendance

## 5. ANTICIPATED CONTRACT TERM

The anticipated duration of the contract will end June 30, 2023 with the City's sole option to renew for additional periods as applicable. 50% of program cost must be spent by March 2023, or the City may reallocate the budget to a different service provider.

## **APPENDIX B**

### **PROJECT OVERVIEW & RESPONSE GUIDANCE NEIGHBORHOOD & COMMUNITY SERVICES FUNDING GUIDELINES**

## **PROJECT OVERVIEW & RESPONSE GUIDANCE**

Responses should not exceed a combined total of 5 single-sided pages. Please see Section 4 for detailed information on Scope of Work and Deliverables. Questions to be answered are in Section 12.

The City is expanding and enhancing Tacoma's Youth and Young Adult Violence Reduction Initiative to align with the [City of Tacoma Strategic Plan \(Tacoma 2025\)](#) and [Council Resolution 40622](#), which acknowledges the disparate impacts of systemic racism and affirms the City of Tacoma's commitment to anti-racist systems transformation. With Diversity, Equity, and Inclusion (DEI) as our lens and framework in support of this critical goal, the Neighborhood and Community Services Department (NCS) is requesting proposals to deliver evidence-based intervention and prevention programming and services (EBP) demonstrated to be effective through rigorous empirical research instead of anecdotal, personal, or professional experiences and impressions. Proposals must implement one of the following EBP models:

- Violence interrupters - Street outreach and violence interruption programs utilizing credible messengers working with individuals in high-risk areas ("hot spots") within communities (e.g., [Cure Violence](#), [Operation Ceasefire](#)) or
- Outreach programs - Programs that specifically target at-risk youth for individual intervention (e.g., [Chicago CRED](#), [Safe and Successful Youth Initiative](#))

Additionally, funded providers must participate in technical assistance (TA), evaluation, and other support services provided by the State of Washington, Department of Commerce. Funded providers will collaborate with the University of Washington, School of Medicine, Department of Psychiatry and Behavioral Health; the University of Washington, School of Public Health, Department of Epidemiology for social impact evaluation services, and the TA consultant assigned by Commerce. Funded providers must make attempts to adhere to the directives of the TA consultant and evaluator.

NCS recognizes the impact of structural and systemic inequities on historically marginalized youth and young adults, families, and communities. As a result, we are seeking high quality programs that implant equitable access and inclusive engagement within program delivery.

This project aims to reduce firearm violence and gang activity by supporting service providers that focus on delivering services to high-risk youth and young adults (ages 10-24) and their families. This project will incorporate the use of credible messengers, an evidence-based approach, into the existing service delivery model. The Respondent's program should offer a range of services including case management, street outreach, mentorship and peer support, mental health and substance use treatment, skill-building activities, community action work, non-legal advocacy for clients, and support and resources for family members.

## **2023-2024 Neighborhood and Community Services Funding Guidelines Amended May 2022**

Neighborhood and Community Services (NCS) follows the [City of Tacoma's Purchasing Policy Manual, Version 2.0](#), and additional guidelines that are shown below.

### **General Funding Guidelines**

1. The City's funding is intended for the benefit of Tacoma residents.
2. The City values the process of prioritizing funding through a competitive process and seeks to do so when appropriate.
3. For currently funded programs, the City will use performance measure outcomes and outputs (provided by the agency in City's contracting database) from 2019-22 to evaluate performance and take into consideration the impacts the pandemic may have had on the agency. Past performance may be evaluated to determine future funding allocation. Providers are expected to perform services as agreed in the contract.
4. Funding recommendations may be subject to City Council authorization.
5. The City may elect to directly negotiate with agencies to meet the needs of Tacoma City Council Priorities and the department goals.
6. There is no guarantee of continued City funding for programs that have received awards in the past.
7. Contracts that are extended over multiple funding cycles will be subject to review of performance, alignment with priorities, and contract compliance, and may be subject to change.
8. The City will pay the contractor for the actual work and services necessarily performed under the Contract between the contract term period not to exceed the total compensation set forth in the contract. Services paid for by the City cannot start before effective date and must end at the end of the contract term.

### **Competitive Funding Guidelines**

9. The minimum competitive funding allocation is \$15,000 a year.
10. Funding allocations are primarily based on application score. However, lower scoring programs may be prioritized over higher scoring programs as determined by City identified priorities and critical service needs.
11. Contract awards must be approved by the City Manager or delegee. The Board of Contracts and Awards (C&A Board) reviews requests to award or amend contracts over \$500,000 and recommends award or rejection to City Council. Contracts under \$500,000 are not reviewed by the C&A Board, but do have a Legal review.

## **APPENDIX C**

### **SAMPLE DOCUMENTS**

SAMPLE INSURANCE REQUIREMENTS

12. It is recommended that direct Administration costs should not exceed 10% of the total budget. (This does not include indirect costs, which are covered in the next section.) Administration expenses are expenses an organization incurs that are directly tied to a specific core function of services. Administration expenses may include salaries of senior management and the costs associated with general services or supplies; for example, legal, accounting, clerical work, and information technology.
13. It is recommended that indirect costs should not exceed 10% of the total direct costs for contracts funded by non-federal sources. *For federal funding, indirect costs must align with federal guidelines.* An indirect cost rate is established on the basis of either a federally-approved indirect cost rate proposal and supporting documentation submitted by organizations or a de minimis 10% rate. Indirect costs are those costs which are not readily identifiable with a particular cost objective (e.g., direct organizational activity or project), but nevertheless are necessary for the general operation of an organization. Examples of indirect costs include the salary and related expenses of individuals working in accounting, personnel, purchasing functions, rent, depreciation and utilities.

### **Sealed Solicitation Overview**

14. Solicitations will be coordinated by Purchasing department staff and posted on the Purchasing Internet website. Solicitation announcements will be e-mailed to vendors identified by both NCS and Purchasing. Applications will be submitted according to the instructions on the solicitation.
15. Appeals to a Request for Proposal (RFP) or a Request for Qualification (RFQ) are limited to consideration of alleged defects relating to solicitation and/or evaluation processes. No appeal will be accepted when based solely on a challenge to the City's exercise of discretion or judgment in selection of finalist(s) or in making a contract award recommendation. If an appropriate protest is received by the deadline in the solicitation, Purchasing will contact you to schedule a meeting to be held in person, by telephone, or electronically.

### **Special Revenue Sources Requirements and Restrictions**

#### **Mental Health Substance Use Disorder Eligibility**

16. Funding received under the .1% Mental Health Substance Use Disorder (MHSUD) revenue must provide services according to [RCW 82.14.460](#), which states: "Moneys collected under this section must be used solely for the purposes of providing for the operation or delivery of chemical dependency or mental health treatment programs and services and for the operation or delivery of therapeutic court programs and services. Moneys collected by cities under this section may also be used for modifications to existing facilities to address health and safety needs necessary for the provision, operation, or delivery of chemical dependency or mental health treatment programs or services otherwise funded with moneys collected in this section. For the purposes of this section, "programs and services includes, but is not limited to, treatment services, case management, and housing that are components of a coordinated chemical dependency or mental health treatment program or service." Furthermore, "All moneys collected under this section must be used solely for the purpose of providing new or expanded programs and services"

No payroll or employment taxes of any kind shall be withheld or paid by the CITY with respect to payments to CONTRACTOR. The payroll or employment taxes that are the subject of this paragraph include, but are not limited to, FICA, FUTA, federal income tax, state personal income tax, state disability insurance tax and state unemployment insurance tax. By reason of CONTRACTOR's status as an independent Contractor hereunder, no workers' compensation insurance has been or will be obtained by the CITY on account of CONTRACTOR. CONTRACTOR may be required to provide the CITY proof of payment of these said taxes and benefits. If the CITY is assessed or deemed liable in any manner for those charges or taxes, the CONTRACTOR agrees to hold the CITY harmless from those costs, including attorney's fees.

## **13. Services Warranty**

The CONTRACTOR warrants that all services performed pursuant to this Contract shall be generally suitable for the use to which CITY intends to use said services and deliverables as expressed in the Scope of Work. In the performance of services under this Contract, the CONTRACTOR and its employees further agree to exercise the degree of skill and care required by customarily accepted good practices and procedures followed by professionals or service providers rendering the same or similar type of service. All obligations and services of the CONTRACTOR hereunder shall be performed diligently and completely according to such professional standards.

This Contract provision shall only be waived by written authorization by the CITY, and on a case-by-case basis.

audit in accordance with the foregoing provisions discloses overpricing or overcharges (of any nature) by the CONTRACTOR to the CITY in excess of one percent (1%) of the total contract billings, in addition to making adjustments for the overcharges, the reasonable actual cost of the CITY's audit shall be reimbursed to CITY by CONTRACTOR. Any adjustments or payments that must be made as a result of any audit and inspection hereunder shall be made no later than 90 days from presentation of CITY's findings to CONTRACTOR.

CONTRACTOR shall ensure that the foregoing inspection, audit and copying rights of the CITY are a condition of any subcontract, agreement or other arrangement under which any other person or entity is permitted to perform the Scope of Work under this Contract.

The CITY may suspend this Contract, at its sole discretion, upon seven (7) business days' written notice to the CONTRACTOR. Such notice shall indicate the anticipated period of suspension. If CONTRACTOR fails to pay any taxes, assessments, penalties, or fees imposed by any governmental body, including by Tacoma City ordinance, and including by a court of law, CITY will deduct and withhold or pay over to the appropriate governmental body those unpaid amounts upon demand by the governmental body. Any such payments shall be deducted from the CONTRACTOR's total compensation.

matter of this Contract; provided that this provision shall not apply to the extent that damage or injury results from the sole negligence of the CITY, or its officers, agents, or employees. This indemnification shall extend to and include attorneys' fees and the cost of establishing the right of indemnification hereunder in favor of the CITY. This indemnification shall survive the termination of this Contract.

It is expressly agreed that with respect to design professional services performed by CONTRACTOR herein, CONTRACTOR's duty of indemnification, including the duty and cost to defend, against liability for damages arising out of such services or out of bodily injury to persons or damage to property shall, as provided in RCW 4.24.115 apply only to the extent of CONTRACTOR's negligence.

## **25. Title 51 Waiver**

CONTRACTOR specifically assumes potential liability for actions brought by the CONTRACTOR'S own employees against the CITY and, solely for the purpose of this indemnification and defense, the CONTRACTOR specifically waives any immunity under the state industrial insurance law, Title 51 RCW. THE CONTRACTOR RECOGNIZES THAT THIS WAIVER WAS THE SUBJECT OF MUTUAL NEGOTIATION.

The City of Tacoma Insurance Requirements documents are fully incorporated herein by reference.

Failure by City to identify a deficiency in the insurance documentation provided by Contractor or failure of City to demand verification of coverage or compliance by Contractor with these insurance requirements shall not be construed as a waiver of Contractor's obligation to maintain such insurance.

## **27. Nondiscrimination**

The CONTRACTOR agrees to take all steps necessary to comply with all federal, state, and City laws and policies regarding non-discrimination and equal employment opportunities. The CONTRACTOR shall not discriminate in any employment action because of race, religion, creed, color, national origin or ancestry, sex, gender identity, sexual orientation, age, marital status, familial status, veteran or military status, the

presence of any sensory, mental or physical disability or the use of a trained dog guide or service animal by a disabled person. In the event of non-compliance by the CONTRACTOR with any of the non-discrimination provisions of this Contract, the CITY shall be deemed to have cause to terminate this Contract, in whole or in part.

## **28. Conflict of Interest**

The CONTRACTOR represents that the CONTRACTOR presently has no interest and shall not acquire any interest, direct or indirect, in the program to which this Contract pertains which would conflict in any manner or degree with the performance of the CONTRACTOR'S services and obligations hereunder. The CONTRACTOR further covenants that, in performance of this Contract, no person having any such interest shall be employed. The CONTRACTOR also agrees that its violation of the CITY'S Code of Ethics contained in Chapter 1.46 of the Tacoma Municipal Code shall constitute a breach of this Contract subjecting the Contract to termination.

## **29. City ownership of Work/Rights in Data and Publications**

To the extent CONTRACTOR creates any Work subject to the protections of the Copyright Act (Title 17 U.S.C) in its performance of this Contract, CONTRACTOR agrees to the following: The Work has been specially ordered and commissioned by CITY. CONTRACTOR agrees that the Work is a "work made for hire" for copyright purposes, with all copyrights in the Work owned by CITY. To the extent that the Work does not qualify as a work made for hire under applicable law, and to the extent that the Work includes material subject to copyright, CONTRACTOR hereby assigns to CITY, its successors and assigns, all right, title and interest in and to the Work, including but not limited to, all patent, trade secret, and other proprietary rights and all rights, title and interest in and to any inventions and designs embodied in the Work or developed during the course of CONTRACTOR'S creation of the Work. CONTRACTOR shall execute and deliver such instruments and take such other action as may be required and requested by CITY to carry out the assignment made pursuant to this section. Any documents, magnetically or optically encoded media, or other materials created by CONTRACTOR pursuant to this Contract shall be owned by CITY and subject to the terms of this subsection. To the maximum extent permitted by law, CONTRACTOR waives all moral rights in the Work. The rights granted hereby to CITY shall survive the expiration or termination of this Contract. CONTRACTOR shall be solely responsible for obtaining releases for the performance, display, recreation, or use of copyrighted materials.

## **30. Public Disclosure**

This Contract and documents provided to the CITY by CONTRACTOR hereunder are deemed public records subject to disclosure under the Washington State Public Records Act, Chapter 42.56 RCW (Public Records Act). Thus, the CITY may be required, upon request, to disclose this Contract and documents related to it unless an exemption under the Public Records Act or other laws applies. In the event CITY receives a request for

such disclosure, determines in its legal judgment that no applicable exemption to disclosure applies, and CONTRACTOR has complied with the requirements herein to mark all content considered to be confidential or proprietary, CITY agrees to provide CONTRACTOR ten (10) days written notice of impending release. Should legal action thereafter be initiated by CONTRACTOR to enjoin or otherwise prevent such release, all expense of any such litigation shall be borne by CONTRACTOR, including any damages, attorneys fees or costs awarded by reason of having opposed disclosure. CITY shall not be liable for any release where notice was provided and CONTRACTOR took no action to oppose the release of information. Notice of any proposed release of information pursuant to Chapter 42.56 RCW, shall be provided to CONTRACTOR according to the "Notices" provision herein.

If CONTRACTOR fails to so mark record(s), then (1) the CITY, upon request, may release said record(s) without the need to satisfy the notice requirements above; and (2) the CONTRACTOR expressly waives its right to allege any kind of civil action or claim against the CITY pertaining to the release of said record(s).

### **32. Duty of Confidentiality**

CONTRACTOR acknowledges that unauthorized disclosure of information or documentation concerning the Scope of Work hereunder may cause substantial economic loss or harm to the CITY.

Except for disclosure of information and documents to CONTRACTOR's employees, agents, or subcontractors who have a substantial need to know such information in connection with CONTRACTOR's performance of obligations under this Contract, the CONTRACTOR shall not without prior written authorization by the CITY allow the release, dissemination, distribution, sharing, or other publication or disclosure of information or documentation obtained, discovered, shared or produced pursuant to this Contract.

CONTRACTOR shall inform its employees, agents, and subcontractors of the confidentiality obligations under this Contract and instruct them so as to ensure such obligations are met. If so requested by the CITY, the CONTRACTOR further agrees to require all such individuals and entities performing services pursuant to this Contract to execute a Confidentiality and Non-Disclosure Agreement in a form acceptable to CITY.

This Section shall survive for six (6) years after the termination or expiration of this Contract.

CITY is required to provide notice of the Red Flags Rules published by the Federal Trade Commission in Title 16 Code of Federal Regulations, Part 681 ("Rules") to all entities that receive confidential or otherwise protected personal information of CITY's customers. Terms in quotations in this Section refer to defined terms contained in the "Rules." CONTRACTOR is, as to "Covered Accounts" of CITY for which CONTRACTOR

performs activities under the Contract, a "Service Provider." "Service Provider" will perform in accordance with its reasonable policies and procedures designed to detect, prevent, and mitigate the risk of identity theft and will promptly report to CITY any specific "Red Flag" incidents detected as to "Covered Accounts" of CITY and upon request by CITY will respond to or reasonably assist CITY in responding reported "Red Flags." This Section shall survive for six (6) years after the termination or expiration of this Contract.

### **33. Approval for Release of Information Related to Contract**

If requested by CITY, CONTRACTOR shall not release any information or documentation concerning the work under this Contract or any part thereof for marketing, advertising, or other commercial activities or publication including, but not limited to, news releases or professional articles without CITY's prior written approval. CONTRACTOR may submit at any time for review and approval a generic abstract describing the component parts of the completed Scope of Services ("Project Abstract"). After receiving written approval of the Project Abstract from the CITY, the CONTRACTOR may make minor insignificant changes to the Project Abstract and use all or parts of the Project Abstract in proposals.

This Section shall survive for six (6) years after the termination or expiration of this Contract.

### **34. Dispute Resolution**

In the event of a dispute pertaining to this Contract, the parties agree to attempt to negotiate in good faith an acceptable resolution. If a resolution cannot be negotiated, then the parties agree to submit the dispute to voluntary non-binding mediation before pursuing other remedies. This provision does not limit the CITY'S right to terminate authorized by this Contract.

### **35. Miscellaneous Provisions**

#### **Governing Law and Venue**

Washington law shall govern the interpretation of this Contract. Pierce County shall be the venue of any mediation, arbitration, or litigation arising out of this Contract.

#### **Assignment**

The CONTRACTOR shall not assign, subcontract, delegate, or transfer any obligation, interest or claim to or under this Contract or for any of the compensation due hereunder without the prior written consent of the CITY.

#### **No Third Party Beneficiaries**

This Contract shall be for the sole benefit of the parties hereto, and nothing contained herein shall create a contractual relationship with, or create a cause of action in favor of, a third party against either party hereto.

**Waiver**

A waiver or failure by either party to enforce any provision of this Contract shall not be construed as a continuing waiver of such provisions, nor shall the same constitute a waiver of any other provision of this Contract.

**Severability and Survival**

If any term, condition or provision of this Contract is declared void or unenforceable or limited in its application or effect, such event shall not affect any other provisions hereof and all other provisions shall remain fully enforceable. The provisions of this Contract, which by their sense and context are reasonably intended to survive the completion, expiration or cancellation of this Contract, shall survive termination of this Contract.

**Entire Agreement**

All previous and contemporaneous agreements, representations or promises and conditions relating to the subject matter of this Contract are superseded hereby.
