SAP Ariba-Hosted Solicitations
To receive notification from the City regarding potential addenda or other updates to the original solicitation document(s), prospective bidders and proposers must be invited to participate in the solicitation event. Addenda will be posted to the content section of the solicitation event in SAP Ariba.

City of Tacoma Website Hosted Solicitations
To receive notification from the City regarding potential addenda or other updates to the original solicitation document(s), prospective bidders and proposers must register on the Bid Holders list for each solicitation of interest.

If you fail to register, you will not be notified of possible addenda or updates. Bidders are ultimately responsible to investigate and acknowledge all issued project addenda information.

Register here for each solicitation of interest.

Click here to view a current Bid Holders List. Once the solicitation is completed, the list is not maintained and will not be used for notification of future opportunities.
