

**City of Tacoma**  
**Tacoma Power / Transmission and Distribution**

**15kV Vault and Network Style Transformers**  
**RFB Specification No. PT21-0543F**

**QUESTIONS and ANSWERS**

All interested parties had the opportunity to submit questions in writing by email to Tisha Rico [Trico@cityoftacoma.org](mailto:Trico@cityoftacoma.org) by 3:00 pm on September 30, 2021. The answers to the questions received are provided below and posted to the City's website at [www.TacomaPurchasing.org](http://www.TacomaPurchasing.org): Navigate to *Current Contracting Opportunities / Supplies*, and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

**Question 1:** Please clarify what you mean by "diameter"? The type of these transformers are not circular, so clarify if you are referring to width or length?

**Answer 1:** An addendum will be posted to remove the reference to "diameter" and replace with "width" and "length".
