Public Works Engineering

ADDENDUM NO. 03                     DATE: 08/03/21

REVISIONS TO:
Request for Bids Specification No. PW20-0015F
Revitalizing Tacoma’s Brewery District

NOTICE TO ALL BIDDERS:

This addendum is issued to clarify, revise, add to or delete from, the original specification documents for the above project. This addendum, as integrated with the original specification documents, shall form the specification documents. The noted revisions shall take precedence over previously issued specification documents and shall become part of this contract.

REVISIONS TO THE SUBMITTAL DEADLINE:

The submittal deadline is unchanged.

REVISIONS TO THE PLANS:

Replace Plan Sheet SG-01 in its entirety, as attached.

NOTE: Acknowledge receipt of this addendum by initialing the corresponding space as indicated on the proposal page. Vendors who have already submitted their bid/proposal may contact the Purchasing Division at 253-502-8468 and request return of their bid/proposal for acknowledgment and re-submittal. Or, a letter acknowledging receipt of this addendum may be submitted in an envelope marked Request for Bids Specification No. PW20-0015F Addendum No. 03. The City reserves the right to reject any and all bids, including, in certain circumstances, for failure to appropriately acknowledge this addendum.

Questions & Answers

1. Bid item P3, Power Utility Vault per each, and plan sheet PW1 - I find no size or type of vault called out. What size vault is to be furnished and installed?

   The type of 10’ x 20’ vault is specified in Special Provisions Section 8-40.2, the Power Standards Appendix in Volume II of the Standard Specifications Package has the power standards and detail drawings quoted in Section 8-40 of the Special Provisions.

2. On plan sheet SG-01, construction notes (2) & (4) call for 35’ mast arms on the signal poles, yet plan sheet SG-04, the signal detail chart calls for 30’ mast arms. Which is correct?

   The signal detail chart specifying 30 feet mast arms is correct. Please see replaced plan sheet SG-01 included in Addendum 03.

3. Plan sheet SG-01, construction notes (2) & (4) call for new LED roadway fixtures, yet no wattage is specified?

   Luminaires shall be 400WEQ. Please see replaced plan sheet SG-01 included in Addendum 03.
