

**CITY OF TACOMA**  
**Public Works Engineering Division**

**ADDENDUM NO. 2**

**DATE: 1/28/2021**

**REVISIONS TO:**  
**Request for Bids Specification No. PW20-0193F**  
**SOUTH 19TH AND CLAY HUNTINGTON**

**NOTICE TO ALL BIDDERS:**

This addendum is issued to clarify, revise, add to or delete from, the original specification documents for the above project. This addendum, as integrated with the original specification documents, shall form the specification documents. The noted revisions shall take precedence over previously issued specification documents and shall become part of this contract.

**REVISIONS TO THE SUBMITTAL DEADLINE:**

The submittal deadline has changed to **Tuesday, February 9, 2021.**

**REVISIONS TO THE GENERAL INFORMATION:**

**Revision #1**

Replace Form No. SPEC-040C "Requests for Bids" (2 pages) with the attached page Form No. SPEC-040C "Requests for Bids" (2 pages).

**REVISIONS TO THE PLANS:**

**Revision #1**

Replace plan sheet SG-1 and SIG-3 with the attached plan sheets SG-1 and SIG-3. Plan sheets indicate "Addendum 2" in "Revisions".

**PRE-BID Q&A:**

**1. Will the City be granting a suspension for material procurement?**

The City will follow the standard specification for project suspension provided in section 1-08.6, should it be deemed necessary.

**2. Would you please clarify the mounting heights of the luminaire arms for poles #6 and #10, as the construction notes call out for both to be 30' mounting heights, whereby the traffic signal detail chart shows them both to be at 40'. What dimension will actually be required for both?**

See updated plan sheets SG-1 and SIG-3.

**3. Also on plan sheet #sg-1, there looks to be service cabinet/pedestal symbol located at the intersection to supply power, but no indication of a construction note requirement – will one be required here, or is it existing?**

See updated plan sheet SG-1.

NOTE: Acknowledge receipt of this addendum by initialing the corresponding space as indicated on the signature page. Vendors who have already submitted their bid/proposal may contact the Purchasing Division at 253-502-8468 and request return of their bid/proposal for acknowledgment and re-submittal.
