## Questions and Answers

### **Puyallup Avenue Transit/Complete Street Improvement Project Design Support Services** RFQ Specification No. **PW22-0018F**

All interested parties had the opportunity to submit questions in writing by email to Tina Eide, Senior Buyer by February 25, 2022. The answers to the questions received are provided below and posted to the City's website at [www.TacomaPurchasing.org](http://www.TacomaPurchasing.org). Navigate to [Current Contracting Opportunities](#) / *Services Solicitations*, and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

**Question 1: Can you please clarify the required page count for this RFQ? Is the requirement 12 pages total, or 24 pages total? Wasn't sure how to interpret "12 double-sided pages" for an electronic submittal**

Answer 1: 12 double sided pages = 24 pages total, paper or electronic

**Question 2: In regards to the City of Tacoma's Puyallup Avenue Transit/Complete Street Improvement Project Design Support Services RFQ. I see that the cover letter and forms are excluded from the page count. However, does the cover (i.e., graphic and title of the proposal) excluded from the page count or does it count towards the 12-page limit?**

Answer 2: No, we're not going to count the graphic or title cover page.
