City of Tacoma (City) is intending to establish contracts with one or more consultants who are capable of providing right of way (ROW) acquisition and relocation services on an on-call, as-needed basis. Due to the on-call nature of the work, the City does not guarantee utilization of any resulting contract. Projects will be individually authorized by a Task Assignment.

These services would include negotiating with property owners to acquire property rights and conducting relocation services in conformance with federal, state, and agency standards. The Consultant, if assigned to provide ROW related services on a project basis and/or specific tasks, would be under the exclusive direction of the Senior Real Estate Specialist or Senior Real Estate Officer, Real Property Services Section (RPS), Facilities Management Division, Public Works Department.

Funding for the work may be from city, state, or federal sources or a combination of such sources. All work in which federal funds are involved must comply with all current Federal Highway Administration (FHWA) and Washington State Department of Transportation (WSDOT) requirements.

Anticipated Maximum Value of Resulting Contract(s): \$5,100,000.00

To learn more about the City of Tacoma, visit www.cityoftacoma.org.

All other elements or factors, whether or not specifically provided for in a Solicitation, which would affect the final cost to, and the benefits to be derived by, the City, may be considered in determining the award of a Contract. Supplier acknowledges that unauthorized disclosure of information or documentation concerning the Scope of Work hereunder may cause substantial economic loss or harm to the City except for disclosure of information and documents to Supplier's employees, agents, or subcontractors who have a substantial need to know such information in connection with Supplier's performance of obligations under the Contract. Supplier shall not, without prior written authorization by the City allow the release, dissemination,

distribution, sharing, or other publication or disclosure of information or documentation obtained, discovered, shared or produced pursuant to a Contract.
