The specific terms and conditions of any Solicitation (Specification, Request for Bids, Request for Proposals, Requests for Qualifications, Requests for Quotations, Request for Information, bid documents, request to enter into negotiations, or other form of solicitation issued by City including any general, special, or technical provisions associated with such Solicitations) are incorporated herein by reference and supersede these Terms and Conditions where there is conflict or inconsistency.

In the event Additional Contract Documents are negotiated and agreed to in writing between Supplier and City, the specific terms of such Additional Contract Documents are incorporated herein by reference and supersede all other terms and conditions where there is conflict or inconsistency.

These Terms and Conditions, Additional Contract Documents if issued, Solicitation if issued, City purchase order if issued, are controlling over Supplier's Submittal if a Submittal is provided. Submittals if provided are incorporated herein by reference.

The City will allow firms to partner in order to respond to a Solicitation. Multiple suppliers may team under a Prime Supplier's Submittal in order to provide responses to all sections in a single submission; however, each Supplier's participation must be clearly delineated by section. The Prime Supplier will be considered the responding vendor and the responsible party at contract award. All contract negotiations will be conducted only with the Prime Supplier. All contract payments will be made only to the Prime Supplier. 1.19 SUBMITTAL CLARIFICATION

Suppliers may be asked to clarify their Submittal. This action shall not be construed as negotiations or any indication of intentions to award. If called upon, Supplier must respond to such requests within two business days or the timeframe set forth by the City in its request for clarification. Supplier's failure to respond to such a request may result in rejection of its Submittal.

1.20 EVALUATION OF SUBMITTALS

- A. The City of Tacoma reserves the right to award to the lowest and best responsible Supplier(s) delivering a Submittal in compliance with the Solicitation, provided such Submittals are reasonable and are in the best interest of the City to accept. The City may use a number of criteria for determining award, including evaluation factors set forth in Municipal Code Section 1.06.262. Suppliers who are inexperienced or who fail to properly perform other contracts may have their submittal rejected for such cause.

 - a. ePayable/Credit Card Acceptance. Submittals offering ePayable/Credit card acceptance may be compared against submittals offering a prompt payment discount to evaluate the overall cumulative effect of the discount against the advantage to the City of the ePayable/Credit card acceptance, and may be considered in determining the apparent lowest responsible submittal.
 3. All other elements or factors, whether or not specifically provided for in a Solicitation, which would affect the final cost to, and the benefits to be derived by, the City, may be considered in determining the award of a Contract. The final award decision will be based on the best interests of the City.

- B. Surcharges of any type will not be paid.
- C. If applicable, related additional products and corresponding services of benefit to the City not specifically required in a solicitation, but which Supplier offers to provide, may be included with the submittal. - D. Unless specifically stated otherwise, only firm prices are accepted and all prices shall remain firm during the term of a Contract.
- E. At City's sole discretion, price increases may be passed along during a Contract period if the increase is mandated by statute, or the result of a tariff. Supplier will immediately notify the City at bids@cityoftacoma.org with contract number and accompanied by documentation demonstrating such mandate and request for price increase.
- F. At City's sole discretion, stated pricing terms may be adjusted for extraordinary conditions that could not have been known by either party at the time of bid or other circumstances beyond the control of both parties. Requests for increases or decreases, other than those previously authorized, shall be sent to City of Tacoma Procurement and Payables Division at: bids@cityoftacoma.org, addressed to specific buyer, with contract number and accompanied by documentation supporting the requested change. Requests sent elsewhere will not be considered or granted. No other individual or City Department is authorized to approve such modifications. Agreed upon price changes shall be applicable as of the Effective Date of a mutually executed written Amendment or other written modification to the Contract.
- G. Should Supplier, during the term of a Contract, enter into any other contract, agreement or arrangement that provides lower prices, more favorable terms or greater benefits to any other government unit or commercial customer, Supplier will immediately notify the City at bids@cityoftacoma.org of such fact with contract number and the Contract with the City shall thereupon be amended to provide the same price or prices, terms and benefits to the City. - L. Delays or supply shortages caused by problems beyond the reasonable control of the Supplier, if fully documented and submitted to the City, may be excused and at City's sole discretion any applicable liquidated damages provisions may be waived. This allowance shall in no way be construed to apply to or excuse delays or shortages caused by negligence on the part of the Supplier. Events beyond Supplier's reasonable control, include acts of god, fire, strikes, epidemics, war, riot, unavoidable delay in transportation or rail car/transport shortages, or documented unavoidable material shortages, provided the City is notified in writing by the Supplier at bids@cityoftacoma.org with contract number and accompanied by documentation of such pending or actual shortage or delay and the reasons therefore. If deemed excusable, the City shall authorize an extension of time. In the event of such an excusable delay, the date of delivery shall be extended for a period equal to the time lost due to the reason for delay. Any waiver of liquidated damages or extensions of time are to be authorized by written Amendment or modification to the Contract issued by City and acknowledged in writing by Supplier. Equal items will be considered by the City, provided that Supplier specifies the brand and model, and provides all descriptive literature, independent test results, specification sheets, schematic drawings, photographs, product samples, local servicing, parts availability, etc., to enable the City to evaluate the proposed equal. Performance testing in the field may be required.
- B. The decision of the City as to what items are equal shall be final and conclusive. If the City elects to purchase a brand represented by Supplier to be an "equal," the City's acceptance of the item is conditioned on the City's inspection and testing after receipt. If, in the sole judgment of the City, the item is determined not to be an equal, the item shall be returned at Supplier's expense.
- C. When a brand name or level of quality is not stated in Supplier's submittal, it is understood Supplier's submittal shall exactly confirm with those required in the Contract. Upon CITY'S request, Supplier shall submit necessary and appropriate documentation, as determined by the CITY, for all invoiced services and deliverables. If an adjustment in payment is necessary due to damage or dispute, the cash discount period shall commence on the date final approval for payment is authorized.

 - a. Suppliers must be PCI-DSS compliant (secure credit card data management) and federal FACTA (sensitive card data display) compliant.
 - b. Suppliers must be set up by their card processing equipment provider (merchant acquirer) as a minimum of a Level II merchant with the ability to pass along tax, shipping and merchant references information.

Unless otherwise specified, except for routine operational communications, which may be delivered personally or transmitted by electronic mail, all notices required by the Contract shall be in writing and shall be deemed to have been duly given if delivered personally or mailed first-class mail, postage prepaid, to Supplier's registered agent and to the applicable City department representative.

1.46 INDEPENDENT CONTRACTOR STATUS

Supplier is considered an independent contractor who shall at all times perform his/her duties and responsibilities and carry out all services as an independent contractor and shall never represent or construe his/her status to be that of an agent or employee of the City, nor shall Supplier be eligible for any employee benefits. - C. Personnel. If before, during, or after the execution of a Contract, Supplier has represented or represents to the City that certain personnel would or will be responsible for performing services pursuant to the Contract, then Supplier is obligated to ensure that said personnel perform said Contract services to the maximum extent permitted by law. Substantial organizational or personnel changes within Supplier's firm are expected to be communicated to City immediately. Failure to do so could result in termination of the Contract. This provision shall only be waived by written authorization by the City, and on a case-by-case basis.

1.49 INSURANCE

- A. During the course and performance of a Contract, Supplier will provide proof and maintain the insurance coverage in the amounts and in the manner specified in the City of Tacoma Insurance Requirements as is applicable to the services, products, and deliverables provided under the Contract. The City of Tacoma Insurance Requirements document, if issued, is fully incorporated into the Contract by reference.

Streets Initiative 2 (SI2) – Outreach and Communication PW23-0325F – REBID

1.00 OBJECTIVE

The City of Tacoma, Public Works Department, Engineering Division, intends to procure a Consulting Firm or Team to provide public outreach and communication, constituent lobbying, and general messaging services related to the upcoming Streets Initiative 2 (SI2) measure. The selected Consulting Firm or Team will also be responsible for submitting the measure documentation to the State of Washington. The measure or measures are anticipated to go to the voters in late 2025 or in 2026.

2.0 BACKGROUND

In 2015, Tacoma voters said yes to repairing Tacoma's streets and passed Proposition 3 (Resolution 39249) and Proposition A (Resolution TBD010). Together, these propositions raise funds through an increase in taxes, which expire in 2025.

SI2 is intended to explore funding options to replace, and potentially expand, the measures that expire in 2025.

3.0 SCOPE OF WORK

1. **PLANNING, SCHEDULING, AND COST ESTIMATING:** Tasks related to planning, scheduling, and cost estimating are likely to include the following:
 - Development and implementation of a community survey to determine types of projects/maintenance the community would support.
 - Facilitate internal City of Tacoma planning, policy direction, and coordination meetings for SI2.
 - Work with City staff to develop communication strategies with internal and external stakeholders, including elected officials.
 - Based on anticipated cost estimates provided by City staff, develop alternative improvement packages to illustrate work that could be completed at different funding levels.

The project is anticipated to last approximately 87 weeks (April 2024 – December 2025). Final scoping, planning, and cost estimating would be targeted to be complete by December 2024.

2. **PUBLIC OUTREACH AND COMMUNICATION:** The consultant shall assist in the development, structure, and timeline for public outreach for planning purposes. The consultant shall facilitate an overall schedule that identifies the key tasks from public outreach (Chamber AGC, Labor Partners, community partners) to a Streets Initiative 2 proposal being brought to the voters. Public outreach and communication tasks are likely to include presentations to City Council, as necessary and as agreed upon with City staff, to determine a feasible approach and timing to deliver to the community the desired elements of a Streets Initiative 2 measure or measures. Up to four Council committee meetings and up to six stakeholder meetings are anticipated.

3. **SUBMIT BOND MEASURE TO COUNTY AUDITOR:** The consultant shall be responsible for drafting and finalizing the ballot measure and ensuring appropriate dates are met to comply with State of Washington rules, regulations, and laws to secure the SI2 measure a place on the ballot in November 2025, or alternate date agreed upon by City staff and leadership. The bond measure submittal to the State of Washington would be targeted for December 2025.
