1. BACKGROUND

Tacoma Rail is a full-service short line railroad. Interchange occurs with both the BNSF and Union Pacific railroads. Tacoma Rail is owned by the City of Tacoma and operates under the oversight authority of the Tacoma Public Utility Board.

Tacoma Rail has two operating divisions. The Tidelands and Capital Division (TMBL) both operates in the Tacoma industrial and port area northeast of the city center as a terminal and switching carrier with rates set by tariff. This division serves more than 40 commercial customers, including major intermodal operations at the Port of Tacoma. TMBL handled more than 238,000 revenue rail car moves in 2021.

In the early 1990s, the City of Tacoma purchased 132 miles of track from Tacoma to the Frederickson Industrial Park and to Chehalis and Morton. This area has become known as the Mountain Division (TRMW) and serves 11 commercial freight rail customers including Boeing, James Hardie Building Products and Medallion Foods, with the majority of the customer base located in Frederickson, WA.

Tacoma Public Utilities (TPU) Rail Division (Tacoma Rail) is soliciting proposals to establish one or more contracts with qualified vendors for the services of a qualified Running Repair Agent(s) (Contractor) with capability and capacity to provide full-service support for all necessary inspections and repair work on freight rail cars of all types, including provision of all labor, materials, and equipment necessary to inspect and repair freight railcars of all types, and, to perform initial-Terminal air brake tests as prescribed by the Code of Federal Regulations and the Association of American Railroads (AAR) guidelines.

Tacoma Rail is a 24/7 operation. Respondents are hereby notified that the railroad will be operational nights, weekends, and all holidays. The selected Contractor may be required to provide services resulting from this RFP on any day, at any time.

A performance bond for this project is required in the amount of \$375,000.00.

To learn more about the City of Tacoma, visit www.cityoftacoma.org.
