**Due to the COVID-19 Pandemic a pre-proposal meeting will be held via conference call Thursday June 10, 2021.** The phone number is **1-888-850-4523** and the conference code is **544766**. This conference call will answer questions regarding the Equity in Contracting (EIC Program and Local Employment and Apprenticeship Training Program (LEAP) requirements included in the contract. Prospective Bidders are encouraged to call in.

### DESCRIPTION OF WORK

This Contract shall generally consist of maintenance activities for five (5) stormwater detention ponds in the northeast and west Tacoma areas. The work includes but is not limited to sediment and vegetation removal, haul and disposal, cleaning of inlet and outlet pipes and their nearest structure, and placement of quarry spalls. The sediment removal is approximately 142 cubic yards.
