Questions and Answers

Capitol Peak Tower Upgrade RFB Specification No. **PG23-0201N**

All interested parties had the opportunity to submit questions in writing by email to Ryan Foster, Senior Buyer by date questions were due. The answers to the questions received are provided below and posted to the City's website at www.TacomaPurchasing.org. Navigate to [Current Contracting Opportunities](#) / *Public Works and Improvements Solicitations*, and then click *Questions and Answers* for this Specification. This information IS NOT considered an addendum. Respondents should consider this information when submitting their proposals.

Question 1: Is it possible for another site visit or more detailed driving instructions?

Answer 1: There were no other scheduled pre-proposal meetings before or after October 30th, 2023. The address was provided on the specification but a separate address that could be used is 12140 Sherman Valley Rd SW Olympia, WA

Question 2: Is this for special inspections and materials testing services scope of work?

Answer 2: Special inspections and material testing will be covered by the City. Refer to Section 01400- Quality Control Subsection 1.2 Inspection, Testing and Certification.
