80 feet of worn 115lb Rail

Description:

Pictured is 80 feet of 115lb rail that is worn. This rail is currently in place at S. 23rd and Hood intersection.

The rail will not be removed until the winning bidder is awarded.

Please note:
City of Tacoma staff will remove the rail in one piece and will not cut it into pieces. Winner is responsible for all transportation costs (FOB Origin) once removed. One winner will be awarded.
