SUBJECT: City of Tacoma 2021 Stormwater Management Manual Update – Interim Policy for City of Tacoma Design Manual

DATE: October 19, 2021

BACKGROUND:

In response to the August 1, 2019 Phase I Municipal Stormwater General Permit, the City of Tacoma updated its Stormwater Management Manual (SWMM). The new manual went into effect on July 1, 2021.

The January 2018 City of Tacoma Design Manual (Design Manual) references locations within the SWMM that may be different sections within the 2021 SWMM. The table below provides the page number locations and correct 2021 SWMM Reference.

Any references contained within the Design Manual shall be assumed to reference the current SWMM sections and design requirements until such time that the City of Tacoma Design Manual is updated.
