City of Tacoma Website Hosted Solicitations
To receive notification from the City regarding potential addenda or other updates to the original solicitation document(s), prospective bidders and proposers must register on the Bid Holders list for each solicitation of interest.

If you fail to register, you will not be notified of possible addenda or updates. Bidders are ultimately responsible to investigate and acknowledge all issued project addenda information.

Register here for each solicitation of interest.

At the bottom of each page for each contracting opportunity/solicitation type, is the option to see the Bid Holders List of firms who have signed up to receive updates for specific solicitations:

Click here to view a current Bid Holders List. Once the solicitation is completed, the list is not maintained and will not be used for notification of future opportunities.

All Contracting Opportunities can be found on our website at tacemapurchasing.org. Specifications are now available online for each contracting opportunity. You may be able to request hard copy specifications by contacting the Buyer/Senior Buyer noted in the specification.
