ARTICLE II

PARITY AND OTHER FINDINGS

Section 2.1. Findings; Authority for Supplemental Ordinance; Intent.

Pursuant to the terms of the Master Ordinance, the City has authorized a revenue bond borrowing program, which authorizes the City to issue, from time to time, one or more series of Parity Bonds to finance costs of the Electric System. City Council approval is necessary prior to the issuance of debt under the Tacoma City Charter and State law. This Supplemental Ordinance is adopted pursuant to the laws of the State, the Tacoma City Charter and the Master Ordinance.

The City Council intends that the terms and conditions set forth in this Supplemental Ordinance shall apply to the each series of Bonds issued hereunder. In the event of any inconsistency between the terms and provisions provided for in this Supplemental Ordinance and the Master Ordinance, the terms and provisions of this Supplemental Ordinance shall control. For instance, the City intends that certain definitions and the following sections shall supersede the corresponding sections of the Master Ordinance as they apply to the Bonds:

A. Section 3.2 Registration, Exchange and Payments;
B. Section 3.3 Redemption Terms;
C. Section 3.4 Form of Bonds;
D. Section 3.5 Lost or Destroyed Bonds;
E. Section 4.2 General Authorization; Documents;
F. Section 4.3 Preliminary and Final Official Statements;
G. Section 4.4 Ongoing Disclosure; Continuing Disclosure Certificate; and
H. Section 7.1 Tax Covenants.

Except as otherwise provided herein, the terms of the Master Ordinance are incorporated herein for the benefit of the Owners of the Bonds.

Section 2.2. Parity Conditions. In connection with the issuance of the Bonds, the City hereby makes the following findings:

A. There is, and as of the Issue Date for each series of Bonds there will be, no deficiency in the Bond Fund and no Event of Default has occurred or shall have occurred and be continuing as of such Issue Date.

B. This Supplemental Ordinance provides that the payment of the principal of and interest on the Bonds shall be paid out of the Bond Fund.

C. On the Issue Date for each series of Bonds there will be on file with the City a certificate satisfying the Parity Conditions in Section 9.2 of Ordinance No. 28146, amending the Master Ordinance.

Section 2.3. Findings Related to Revenues of the Electric System. The City hereby finds and determines that the Revenues of the Electric System at the rates to be charged for power and other services and commodities from the Electric System will be more than sufficient to meet all Operating Expenses, to make all required payments with respect to the Outstanding Parity Bonds, the Bonds, and the outstanding Subordinate Bonds, and to permit the setting aside into the Bond Fund out of the Revenues of amounts sufficient to pay the principal of and interest on the Bonds as increased and extended and when due at maturity and upon any mandatory sinking fund redemption thereof.
The City further finds and determines that in creating the subaccounts in the Bond Fund and in fixing the amounts to be paid into such subaccounts in the Bond Fund, it has exercised due regard for Operating Expenses, and the City has not bound and obligated itself to set aside and pay into such subaccounts in the Bond Fund a greater amount or proportion of the Revenues than in the judgment of the City will be available over and above the Operating Expenses and the amount and proportion of the Revenues so previously pledged.

Section 2.4. Plan of Additions. The City specifies, adopts, and orders to be carried out the system or plan of additions to and betterments and extensions of the Electric System ("Plan of Additions") as generally provided for in the capital portions of the Tacoma Power Biennial Budget, as supplemented and amended, and in any subsequent budget, and in the Electric System Comprehensive Plan.

The portion of the Plan of Additions financed and/or refinanced with proceeds of the Bonds is referred to herein as the “Project.” The estimated cost of the Plan of Additions to be financed and/or refinanced with the proceeds of the Bonds, including prepaying the 2021 Note, is at least $150,000,000.

The Plan of Additions includes the purchase and installation of all materials, supplies, appliances, equipment (including, but not limited to, data processing hardware and software and conservation equipment) and facilities; the acquisition of all permits, franchises, property and property rights; other capital assets; and all engineering, consulting, and other professional services and studies (whether performed by the City or by other public or private entities) necessary or convenient to carry out the Plan of Additions.
ARTICLE III

AUTHORIZATION AND TERMS OF BONDS

Section 3.1. Authorization of Bonds: Terms and Description of Bonds.

A. The City hereby authorizes the issuance of its “City of Tacoma, Washington, Electric System Revenue and Refunding Bonds, Series 2024” or other such designation as set forth in the Bonds and approved by a Designated Representative, pursuant to the terms of the Master Ordinance and this Supplemental Ordinance. The Bonds may be issued in one or more series, may be designated as Taxable Bonds or Tax-Exempt Bonds, and may be issued on the same Issue Date or from time to time on different Issue Dates. The Bonds shall constitute Parity Bonds within the meaning of the Master Ordinance.

B. Proceeds of the Bonds shall be used to finance and/or refinance costs of the Project (including prepaying the 2021 Note), to defease and/or redeem the Refunded Bonds, and to pay the costs of issuance for the Bonds.

C. The Bonds shall be issued in an aggregate principal amount not to exceed $225,000,000, shall be dated as of the Issue Date for such Bonds, shall be fully registered as to both principal and interest, shall be in the denomination of $5,000 each or any integral multiple thereof within a series and maturity, shall be numbered separately in such manner and with any additional designation as the Bond Registrar deems necessary for purposes of identification and control, shall bear interest from their applicable Issue Date payable on the dates and at the rates set forth in the applicable Bond Purchase Contract, and shall be subject to optional
and/or mandatory redemption, and mature on the dates and in the principal
amounts set forth in the applicable Bond Purchase Contract.

Section 3.2. Registration, Exchange and Payments.

A. Bond Registrar/Bond Register. The City hereby specifies and adopts the
system of registration approved by the Washington State Finance Committee from
time to time through the appointment of a state fiscal agent. The City shall cause a
Bond Register to be maintained by the Bond Registrar. So long as any Bonds
remain outstanding, the Bond Registrar shall make all necessary provisions to
permit the exchange or registration or transfer of Bonds at its designated office.
The Bond Registrar may be removed at any time at the option of the Finance
Director upon prior notice to the Bond Registrar and a successor Bond Registrar
appointed by the Finance Director. No resignation or removal of the Bond Registrar
shall be effective until a successor shall have been appointed and until the
successor Bond Registrar shall have accepted the duties of the Bond Registrar
hereunder. The Bond Registrar is authorized, on behalf of the City, to authenticate
and deliver Bonds transferred or exchanged in accordance with the provisions of
such Bonds and this Supplemental Ordinance, and to carry out all of the Bond
Registrar’s powers and duties under this Supplemental Ordinance. The Bond
Registrar shall be responsible for its representations contained in the Certificate of
Authentication of the Bonds.

B. Registered Ownership. The City and the Bond Registrar, each in its
discretion, may deem and treat the Registered Owner of each Bond as the absolute
owner thereof for all purposes (except as provided in the Continuing Disclosure
Certificate), and neither the City nor the Bond Registrar shall be affected by any
notice to the contrary. Payment of any such Bond shall be made only as described
in subsection G, but such Bond may be transferred as herein provided. All such
payments made as described in subsection G shall be valid and shall satisfy and
discharge the liability of the City upon such Bond to the extent of the amount or
amounts so paid.

C. DTC Acceptance/Letters of Representations. The Bonds initially shall be
held by DTC acting as depository. The City has executed and delivered to DTC a
Blanket Issuer Letter of Representations. Neither the City nor the Bond Registrar
shall have any responsibility or obligation to DTC participants or the persons for
whom they act as nominees (or any successor depository) with respect to the
Bonds in respect of the accuracy of any records maintained by DTC (or any
successor depository) or any DTC participant, the payment by DTC (or any
successor depository) or any DTC participant of any amount in respect of the
principal of or interest on Bonds, any notice which is permitted or required to be
given to Registered Owners under this Supplemental Ordinance (except such
notices as shall be required to be given by the City to the Bond Registrar or to DTC
(or any successor depository)), or any consent given or other action taken by DTC
(or any successor depository) as the Registered Owner. For so long as any Bonds
are held by a depository, DTC or its successor depository or its nominee shall be
deemed to be the Registered Owner for all purposes hereunder, and all references
herein to the Registered Owners shall mean DTC (or any successor depository) or
its nominee and shall not mean the owners of any beneficial interest in such Bonds.
D. Use of Depository.

(1) The Bonds of each series shall be registered initially in the name of “Cede & Co.”, as nominee of DTC, with one Bond maturing on each of the maturity dates for the Bonds in a denomination corresponding to the total principal therein designated to mature on such date. Registered ownership of such Bonds, or any portions thereof, may not thereafter be transferred except (i) to any successor of DTC or its nominee, provided that any such successor shall be qualified under any applicable laws to provide the service proposed to be provided by it; (ii) to any substitute depository appointed by the Finance Director pursuant to subsection (2) below or such substitute depository’s successor; or (iii) to any person as provided in subsection (4) below.

(2) Upon the resignation of DTC or its successor (or any substitute depository or its successor) from its functions as depository or a determination by the Finance Director to discontinue the system of book entry transfers through DTC or its successor (or any substitute depository or its successor), the Finance Director may appoint a substitute depository. Any such substitute depository shall be qualified under any applicable laws to provide the services proposed to be provided by it.

(3) In the case of any transfer pursuant to clause (i) or (ii) of subsection (1) above, the Bond Registrar shall, upon receipt of all outstanding Bonds, together with a written request on behalf of the Finance Director, issue a single new Bond for such series for each maturity then outstanding, registered in
the name of such successor or such substitute depository, or their nominees, as the case may be, all as specified in such written request of the Finance Director.

(4) In the event that (A) DTC or its successor (or substitute depository or its successor) resigns from its functions as depository, and no substitute depository can be obtained, or (B) the Finance Director determines that it is in the best interest of the Beneficial Owners of the Bonds that such owners be able to obtain physical Bond certificates, the ownership of such Bonds may then be transferred to any person or entity as herein provided, and shall no longer be held by a depository. The Finance Director shall deliver a written request to the Bond Registrar, together with a supply of physical Bonds, to issue Bonds as herein provided in any authorized denomination. Upon receipt by the Bond Registrar of all then outstanding Bonds of a series together with a written request on behalf of the Finance Director to the Bond Registrar, new Bonds of such series shall be issued in the appropriate denominations and registered in the names of such persons as are requested in such written request.

E. Registration of Transfer of Ownership or Exchange; Change in Denominations. The transfer of any Bond may be registered and Bonds may be exchanged, but no transfer of any such Bond shall be valid unless it is surrendered to the Bond Registrar with the assignment form appearing on such Bond duly executed by the Registered Owner or such Registered Owner’s duly authorized agent in a manner satisfactory to the Bond Registrar. Upon such surrender, the Bond Registrar shall cancel the surrendered Bond and shall authenticate and deliver, without charge to the Registered Owner or transferee therefor, a new Bond
(or Bonds at the option of the new Registered Owner) of the same series, date, maturity, and interest rate and for the same aggregate principal amount in any authorized denomination, naming as Registered Owner the person or persons listed as the assignee on the assignment form appearing on the surrendered Bond, in exchange for such surrendered and cancelled Bond. Any Bond may be surrendered to the Bond Registrar and exchanged, without charge, for an equal aggregate principal amount of Bonds of the same series, date, maturity, and interest rate, in any authorized denomination. The Bond Registrar shall not be obligated to register the transfer of or to exchange any Bond between the Record Date and the next principal payment or redemption date.

F. Bond Registrar’s Ownership of Bonds. The Bond Registrar may become the Registered Owner of any Bond with the same rights it would have if it were not the Bond Registrar, and to the extent permitted by law, may act as depository for and permit any of its officers or directors to act as a member of, or in any other capacity with respect to, any committee formed to protect the right of the Registered Owners or Beneficial Owners of Bonds.

G. Place and Medium of Payment. Both principal of and interest on the Bonds shall be payable in lawful money of the United States of America. Interest on the Bonds shall be calculated on the basis of a year of 360 days and twelve 30-day months. For so long as all Bonds of a series are held by a depository, payments of principal thereof and interest thereon shall be made as provided in accordance with the operational arrangements of DTC referred to in the Letter of Representations. In the event that the Bonds of a series are no longer held by a
depository, interest on such Bonds shall be paid by check or draft mailed to the
Registered Owners at the addresses for such Registered Owners appearing on the
Bond Register on the Record Date, or upon the written request of a Registered
Owner of more than $1,000,000 of Bonds (received by the Bond Registrar at least
by the Record Date), such payment shall be made by the Bond Registrar by wire
transfer to the account within the United States designated by the Registered
Owner. Principal of the Bonds shall be payable upon presentation and surrender of
such Bonds by the Registered Owners at the designated office of the Bond
Registrar.

If any Bond is duly presented for payment and funds have not been provided
by the City on the applicable payment date, then interest will continue to accrue
thereafter on the unpaid principal thereof at the rate stated on the Bond until the
Bond is paid.

Section 3.3. Redemption Terms.

A. Mandatory Redemption of Term Bonds and Optional Redemption, if any.
Each series of Bonds shall be subject to optional redemption on the dates, at the
prices and under the terms set forth in the applicable Bond Purchase Contract.
Each series of Bonds shall be subject to mandatory redemption to the extent, if any,
set forth in the applicable Bond Purchase Contract.

B. Purchase of Bonds. The City reserves the right to purchase any or all of
the Bonds in the open market at any time at any price acceptable to the City plus
accrued interest to the date of purchase.
C. Selection of Bonds for Redemption. For as long as the Bonds of a series are held in book entry only form, the selection of particular Bonds within a series and maturity to be redeemed shall be made in accordance with the operational arrangements then in effect at DTC. If the Bonds of a series are no longer held by a depository, the selection of such Bonds of such series to be redeemed and the surrender and reissuance thereof, as applicable, shall be made as provided in the following provisions of this subsection C or in the Official Statement. If the City redeems at any one time fewer than all of the Bonds of a series having the same maturity date, the particular Bonds or portions of Bonds of such series and maturity to be redeemed shall be selected by lot (or in such manner determined by the Bond Registrar) in increments of $5,000. In the case of a Bond of a denomination greater than $5,000, the City and the Bond Registrar shall treat each Bond as representing such number of separate Bonds each of the denomination of $5,000 as is obtained by dividing the actual principal amount of such Bond by $5,000. In the event that only a portion of the principal sum of a Bond is redeemed, upon surrender of such Bond at the designated office of the Bond Registrar there shall be issued to the Registered Owner, without charge therefor, for the then unredeemed balance of the principal sum thereof, at the option of the Registered Owner, a Bond or Bonds of like series, maturity and interest rate in any of the denominations herein authorized. Notwithstanding the foregoing or anything else to the contrary in this Supplemental Ordinance, the selection of any Bonds for redemption may be as provided in the applicable Bond Purchase Contract or Official Statement for such Bonds.
D. Notice of Redemption.

(1) Official Notice. For so long as the Bonds of a series are held by a depository, notice of redemption shall be given in accordance with the operational arrangements of DTC as then in effect, and neither the City nor the Bond Registrar shall provide any notice of redemption to any Beneficial Owners. The notice of optional redemption may be conditional. Unless waived by any owner of Bonds to be redeemed, official notice of any such redemption (which optional redemption may be conditioned by the Bond Registrar on the receipt of sufficient funds for redemption or otherwise) shall be given by the Bond Registrar on behalf of the City by mailing a copy of an official redemption notice by first class mail at least 20 days and not more than 60 days prior to the date fixed for redemption to the Registered Owner of the Bond or Bonds to be redeemed at the address shown on the Bond Register or at such other address as is furnished in writing by such Registered Owner to the Bond Registrar.

All official notices of redemption shall be dated and shall state:

(i) the redemption date,

(ii) the redemption price,

(iii) if fewer than all outstanding Bonds are to be redeemed, the identification by series and maturity (and, in the case of partial redemption, the respective principal amounts) of the Bonds to be redeemed,

(iv) any conditions to redemption, and
(v) the place where such Bonds are to be surrendered for payment of the redemption price, which place of payment shall be the principal office of the Bond Registrar.

On or prior to any optional redemption date, unless any condition to such redemption has not been satisfied or waived, or notice of such redemption has been rescinded or revoked, and on or prior to any mandatory redemption date, the City shall deposit with the Bond Registrar an amount of money sufficient to pay the redemption price of all the Bonds or portions of Bonds which are to be redeemed on that date. The City retains the right to rescind any optional redemption notice and the related optional redemption of Bonds by giving notice of rescission to the affected Registered Owners at any time on or prior to the scheduled redemption date. Any notice of optional redemption that is so rescinded shall be of no effect, and the Bonds for which the notice of optional redemption has been rescinded shall remain outstanding.

(2) Effect of Notice; Bonds Due. If notice of redemption has been given and not rescinded or revoked, or if the conditions set forth in a conditional notice of redemption have been satisfied or waived, the Bonds or portions of Bonds to be redeemed shall, on the redemption date, become due and payable at the redemption price therein specified, and if the Bond Registrar then holds sufficient funds to pay such Bonds at the redemption price, then from and after such date such Bonds or portions of Bonds shall cease to bear interest. Upon surrender of such Bonds for redemption in accordance with said notice, such Bonds shall be paid by the Bond Registrar at the redemption price. Installments of interest due on
or prior to the redemption date shall be payable as herein provided for payment of interest. All Bonds which have been redeemed shall be canceled by the Bond Registrar and shall not be reissued.

(3) Additional Notice. In addition to the foregoing notice, further notice shall be given by the City as set out below, but no defect in said further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as above-prescribed. Each further notice of redemption given hereunder shall contain the information required above for an official notice of redemption plus (i) the CUSIP numbers of all Bonds being redeemed; (ii) the date of issue of the Bonds as originally issued; (iii) the rate of interest borne by each Bond being redeemed; (iv) the maturity date of each Bond being redeemed; and (v) any other descriptive information needed to identify accurately the Bonds being redeemed. Each further notice of redemption may be sent at least 20 days before the redemption date to each party entitled to receive notice pursuant to the Continuing Disclosure Certificate and with such additional information as the City shall deem appropriate, but such mailings shall not be a condition precedent to the redemption of such Bonds.

(4) Amendment of Notice Provisions. The foregoing notice provisions of this Section 3.3, including, but not limited to, the information to be included in redemption notices and the persons designated to receive notices, may be amended by additions, deletions and changes in order to maintain compliance with
duly promulgated regulations and recommendations regarding notices of
redemption of municipal securities.

Section 3.4. Form of Bonds; Execution. The Bonds shall be in substantially
the form set forth in Exhibit “A,” which is incorporated herein by this reference, with
such changes thereto as may be approved by a Designated Representative,
consistent with this Supplemental Ordinance.

The Bonds shall be executed on behalf of the City with the manual or
facsimile signatures of the Mayor and City Clerk and the seal of the City shall be
impressed, imprinted, or otherwise reproduced thereon.

Only such Bonds as shall bear thereon a Certificate of Authentication in the
form provided herein, manually executed by the Bond Registrar, shall be valid or
obligatory for any purpose or entitled to the benefits of this Supplemental
Ordinance. Such Certificate of Authentication shall be conclusive evidence that the
Bonds so authenticated have been duly executed, authenticated and delivered
hereunder and are entitled to the benefits of this Supplemental Ordinance and the
Master Ordinance.

In case either of the officers who shall have executed the Bonds shall cease
to be an officer or officers of the City before the Bonds so signed shall have been
authenticated or delivered by the Bond Registrar, or issued by the City, such Bonds
may nevertheless be authenticated, delivered, and issued and upon such
authentication, delivery, and issuance, shall be as binding upon the City as though
those who signed the same had continued to be such officers of the City. Any Bond
may be signed and attested on behalf of the City by such persons who at the date
of the actual execution of such Bond, are the proper officers of the City, although at
the original date of such Bond any such person shall not have been such officer of
the City.

Section 3.5. Lost or Destroyed Bonds. In case any Bonds shall be lost,
stolen, or destroyed, the Bond Registrar may authenticate and deliver a new Bond
or Bonds of like series, amount, date, tenor, and effect to the owner thereof upon
the owner paying the expenses and charges of the City in connection therewith and
upon filing with the Bond Registrar evidence satisfactory to the Bond Registrar that
such Bond(s) were actually lost, stolen, or destroyed and of ownership thereof, and
upon furnishing the City with indemnity satisfactory to both.

ARTICLE IV

SALE OF BONDS

Section 4.1. Bond Sale.

A. Bond Sale. The Bonds shall be sold by negotiated public sale to the
Underwriters pursuant to the terms of one or more Bond Purchase Contracts. The
City Council has determined that it would be in the best interest of the City to
delegate to the Designated Representatives, for a limited time, the authority to
select the Refunded Bonds, to designate each series of Bonds as Tax-Exempt
Bonds or Taxable Bonds, and to approve the Final Terms for each series of Bonds,
including but not limited to final interest rates, final maturity date, redemption terms,
principal maturities, and any other terms for each series of Bonds.

Each Designated Representative is further authorized to designate all or a
portion of a series of Bonds allocated to finance the portion of the Project, which
have environmentally beneficial attributes, as “Green Bonds,” and to engage with such consultants and to undertake such action, execute such certificates, and agree to such terms as necessary to accomplish such designation.

B. Sale Parameters. Subject to the terms and conditions set forth in this Section, each Designated Representative is hereby authorized to select the Refunded Bonds, to designate the Bonds of a series as Tax-Exempt Bonds or Taxable Bonds, and to approve the final interest rates, final maturity date, redemption terms and principal maturities for each series of Bonds, and to agree to any other Final Terms for each series of Bonds that are in the best interest of the City and necessary to facilitate this Supplemental Ordinance so long as:

1. the aggregate principal (face) amount of all Bonds issued under this Supplemental Ordinance does not exceed $225,000,000,

2. the final maturity date for each series of Bonds is no later than January 1, 2054,

3. the aggregate purchase price for the Bonds of a series shall not be less than 98% of the aggregate stated principal amount of such Bonds, excluding any original issue discount, and not greater than 120%,

4. the Bonds of each series shall bear interest at fixed rates per annum and the true interest cost for the Bonds of such series (in the aggregate) does not exceed 6.00%,

5. any series of Bonds or portion of a series of Bonds that are sold for the purpose of defeasing and/or refunding the Refunded Bonds are sold for a price that results in a minimum aggregate net present value debt service savings over the
Refunded Bonds to be refunded with the proceeds of such series of at least 3.00%, and

   6. the Bonds of each series conform to all other terms of this Supplemental Ordinance.

   The final terms of each series of Bonds shall be set forth in the applicable Bond Purchase Contract. With respect to the Bonds, each Bond Purchase Contract shall serve as the “Pricing Certificate” as defined in the Master Ordinance. Subject to the terms and conditions set forth in this section, each Designated Representative is hereby authorized to execute one or more Bond Purchase Contracts for the Bonds.

   The authority granted to the Designated Representatives by this Section shall expire on December 31, 2024. If a Bond Purchase Contract for the Bonds has not been executed by December 31, 2024, the authorization for the issuance of the Bonds shall be rescinded, and the Bonds shall not be issued nor their sale approved unless such Bonds are re-authorized by ordinance of the City Council at the request of the Board. The ordinance re-authorizing the issuance and sale of such Bonds may be in the form of a new ordinance repealing this Supplemental Ordinance in whole or in part or may be in the form of an amendatory ordinance approving a Bond Purchase Contract or establishing terms and conditions for the authority delegated under this Section.

   Section 4.2. General Authorization; Documents. Following the passage and approval of this Supplemental Ordinance, the proper officials of the City, including the Designated Representatives, the Mayor, the Finance Director, the Treasurer,
the City Manager, the Assistant Finance Director/Controller, and the City Clerk, are authorized and directed to undertake all action necessary for the prompt execution and delivery of the Bonds to the Underwriters and further to execute all closing certificates and documents required to effect the closing and delivery of the Bonds in accordance with the terms of this Supplemental Ordinance and the Bond Purchase Contract. Such documents may include, but are not limited to, documents related to a municipal bond insurance policy delivered by an insurer to insure the payment when due of the principal of and interest on all or a portion of the Bonds as provided therein, if such insurance is determined by a Designated Representative to be in the best interest of the City.

Notwithstanding anything herein or in the Master Ordinance to the contrary, the signature of one authorized official, including, but not limited to, the Designated Representatives, shall be sufficient to bind the City.

Section 4.3. Preliminary and Final Official Statements. The Designated Representatives and the City Finance Director are each hereby authorized to deem final one or more preliminary Official Statements relating to the Bonds for the purposes of the Rule. The Designated Representatives and the City Finance Director are each further authorized to approve for purposes of the Rule, on behalf of the City, one or more final Official Statements relating to the issuance and sale of the Bonds and the distribution of the final Official Statement(s) pursuant thereto with such changes, if any, as may be deemed by such individual to be appropriate.

Section 4.4. Ongoing Disclosure; Continuing Disclosure Certificate. The City covenants to execute and deliver on each Issue Date a Continuing Disclosure
Certificate consistent with the Rule. The Finance Director is hereby authorized to execute and deliver a Continuing Disclosure Certificate upon the issuance, delivery, and sale of the Bonds with such terms and provisions as such officer shall deem appropriate and in the best interests of the City.

**ARTICLE V**

**CREATION OF ACCOUNTS; APPLICATION OF BOND PROCEEDS**

Section 5.1. Establishment and Designation of Accounts.

A. There is hereby created in the Construction Fund an account to be known as the 2024 Bonds Construction Account.

B. There is hereby created in the Bond Fund the following accounts: 2024 Bonds Interest Subaccount, the 2024 Bonds Principal Subaccount, and the 2024 Bonds Bond Retirement Account.

C. There is hereby created the 2024 Bonds Refunding Account.

Section 5.2. No Reserve for the Bonds. The City hereby determines that the Bonds shall not be secured by the Reserve Account or any debt service reserve account. The reserve account requirement for the Bonds shall be zero.

A. The amount necessary to finance and/or refinance the Project, including the amount necessary to prepay all or a portion of the 2021 Note, shall be deposited into the 2024 Bonds Construction Account. Any amount deposited
therein to prepay the 2021 Note shall be transferred, together with other available funds of the City, if any, within 30 days of the Issue Date for such Bonds, to the owner of the 2021 Note. The proper City officials are authorized and directed to give or cause to be given notice of prepayment of the 2021 Note in order to carry out the terms of this Supplemental Ordinance. After the prepayment of the 2021 Note, the 2021 Note shall remain outstanding until maturity or cancellation in accordance with its terms.

The remaining proceeds of any Bonds deposited into the 2024 Bonds Construction Account shall be used to pay and/or reimburse the City for any additional costs of the Project and to pay costs of issuance for such Bonds.

B. For the purpose of realizing a debt service savings and/or restructuring the Refunded Bonds, the City proposes to apply a portion of the proceeds of any Bonds issued for such purpose to defease and/or redeem the Refunded Bonds as set forth herein. The Council hereby finds that given current market conditions, is in the best interest of the City to proceed with the defeasance and/or refunding of the Refunded Bonds if the minimum aggregate net present value debt service savings over the Refunded Bonds is at least 3.00%, which is less than the minimum savings target set forth in the financial policies of the City.

If a Designated Representative determines that it is in the best interest of the City to proceed with the refunding authorized herein, a Designated Representative shall designate all or a portion of the 2013 Bonds as Refunded Bonds and such designation shall be set forth in the applicable Bond Purchase Contract. Each Designated Representative and the Finance Director are further
authorized to appoint an escrow agent ("Escrow Agent") to assist in the refunding plan authorized herein.

A portion of the proceeds of such series of Bonds, together with other available funds of the City, if any, shall be deposited with the paying agent for the Refunded Bonds or with the Escrow Agent on behalf of the City in the 2024 Bonds Refunding Account pursuant to an Escrow Agreement. Such proceeds and available funds of the City, if any, shall be used immediately upon receipt thereof to defease or redeem, as applicable, the Refunded Bonds as authorized by the bond ordinance authorizing the Refunded Bonds, and to pay costs of issuance of such series of Bonds.

Any net proceeds deposited with the Escrow Agent shall be used to defease the Refunded Bonds and discharge the obligations thereon by either holding the funds uninvested or through the purchase of certain Acquired Obligations bearing such interest and maturing as to principal and interest in such amounts and at such times which, together with any necessary beginning cash balance, will provide for the payment of interest on the Refunded Bonds as the same becomes due on and prior to the Call Date for the Refunded Bonds, and the redemption price (100% of the principal amount) of the Refunded Bonds on the Call Date.

In order to carry out the purposes of this Section, each Designated Representative and the Finance Director are authorized and directed to select the Call Date and to execute and deliver to the Escrow Agent an Escrow Agreement.

In the Escrow Agreement, the City shall irrevocably call the Refunded Bonds for redemption on the Call Date in accordance with the provisions of the
bond ordinances authorizing the redemption and retirement of the Refunded Bonds prior to their fixed maturities. Said defeasance and call for redemption of the Refunded Bonds shall be irrevocable after the delivery of the cash and/or Acquired Obligations to the Escrow Agent.

The City and the Escrow Agent are each hereby authorized and directed to provide for the giving of notices of the redemption of the Refunded Bonds in accordance with the applicable provisions of the bond ordinances authorizing the issuance of the Refunded Bonds. The costs of publication of such notices shall be an expense of the City.

Section 5.4. Deposits Into and Uses of the 2024 Subaccounts in the Bond Fund; Pledge of Revenues. The City hereby obligates and binds itself irrevocably to set aside and to pay into the 2024 Bonds Interest Subaccount, the 2024 Bonds Principal Subaccount, and the 2024 Bonds Bond Retirement Subaccount, respectively, out of the Revenues of the Electric System the amounts necessary (together with other available moneys on hand therein) to pay the principal of, interest on and any mandatory sinking fund redemptions for the Bonds as and when the same respectively become due and payable in accordance with the terms hereof. The 2024 Bonds Interest Subaccount, the 2024 Bonds Principal Subaccount, and the 2024 Bonds Bond Retirement Subaccount, respectively, shall be drawn upon solely for the purpose of paying the principal of, interest on and mandatory sinking fund redemptions for the Bonds.

Section 5.5. Investment of Funds. Money in the funds and accounts contained herein and in the Master Ordinance may be invested in Permitted
Investments as provided in the Master Ordinance, but only to the extent that the
same are acquired, and disposed of at Fair Market Value.

ARTICLE VI

DEFEASANCE

In the event that the City, to effect the payment, retirement, or redemption of
any Bond, sets aside in the Bond Fund or in another special account, cash or
noncallable Government Obligations, or any combination of cash and/or noncallable
Government Obligations, in amounts and maturities which, together with the known
earned income therefrom, are sufficient to redeem and retire such Bond in
accordance with its terms and to pay when due the interest and redemption
premium, if any, thereon, and such cash and/or noncallable Government
Obligations are irrevocably set aside and pledged for such purpose, then no further
payments need be made into the Bond Fund for the payment of the principal of and
interest on such Bond. The owner of a Bond so provided for shall cease to be
entitled to any benefit or security of this Supplemental Ordinance except the right to
receive payment of principal, premium, if any, and interest from the Bond Fund or
such special account, and such Bond shall be deemed to be not outstanding under
this Supplemental Ordinance.

The City shall give written notice of defeasance to the Registered Owners of
the Bonds and to each party entitled to receive notice in accordance with the
Continuing Disclosure Certificate.
ARTICLE VII

TAX COVENANTS

Section 7.1. Tax Covenants. The Bonds may be issued as “Tax-Exempt Bonds” within the meaning of the Master Ordinance. The City hereby covenants that it will take all actions necessary to assure the exclusion of interest on the Tax-Exempt Bonds from the gross income of the Owners of the Tax-Exempt Bonds, to the same extent as such interest is permitted to be excluded from gross income under the Code as in effect on the Issue Date of the Tax-Exempt Bonds, including, but not limited to, the following:

A. Private Activity Bond Limitation. The City will assure that the proceeds of the Tax-Exempt Bonds are not so used as to cause the Tax-Exempt Bonds to satisfy the private business tests of Section 141(b) of the Code or the private loan financing test of Section 141(c) of the Code.

B. Limitations on Disposition of Project. The City will not sell or otherwise transfer or dispose of (i) any personal property components of the Project financed or refinanced with proceeds of the Tax-Exempt Bonds other than in the ordinary course of an established government program under Treasury Regulation Section 1.141-2(d)(4) or (ii) any real property components of such Project, unless it has received an opinion of nationally recognized bond counsel to the effect that such disposition will not adversely affect the treatment of interest on the Tax-Exempt Bonds as excludable from gross income for federal income tax purposes.

C. Federal Guarantee Prohibition. The City will not take any action or permit to suffer any action to be taken if the result of such action would be to cause any of the
the Tax-Exempt Bonds to be “federally guaranteed” within the meaning of Section 149(b) of the Code.

D. Rebate Requirement. The City will take any and all actions necessary to assure compliance with Section 148(f) of the Code, relating to the rebate of excess investment earnings, if any, to the federal government, to the extent that such section is applicable to the Tax-Exempt Bonds.

E. No Arbitrage. The City will not take, or permit or suffer to be taken, any action with respect to the proceeds of the Tax-Exempt Bonds which, if such action had been reasonably expected to have been taken, or had been deliberately and intentionally taken, on the Issue Date of the Tax-Exempt Bonds would have caused the Tax-Exempt Bonds to be “arbitrage bonds” within the meaning of Section 148 of the Code.

F. System of Registration. The City will maintain a system for recording the ownership of the Tax-Exempt Bonds that complies with the provisions of Section 149 of the Code until the Tax-Exempt Bonds have been surrendered and canceled.

G. Record Retention. The City will retain its records of all accounting and monitoring it carries out with respect to the Tax-Exempt Bonds for at least three years after the Tax-Exempt Bonds mature or are prepaid (whichever is earlier); however, if the Tax-Exempt Bonds are redeemed prior to maturity, the City will retain its records of accounting and monitoring at least three years after the earlier of the maturity or redemption of the obligations that refunded the Tax-Exempt Bonds.
H. Compliance with Federal Tax Certificate. The City will comply with the provisions of the Federal Tax Certificate with respect to the Tax-Exempt Bonds, which are incorporated herein as if fully set forth herein.

The covenants of this section will survive payment in full or defeasance of the Tax-Exempt Bonds.

ARTICLE VIII

AMENDMENTS TO MASTER ORDINANCE

Section 8.1 Amendments to the Master Ordinance. The 2021 Supplemental Ordinance provides for amendments to the Master Ordinance, which amendments shall be immediately effective, without the need for further action of the Council, upon receipt of (a) consent of not less than 51% in aggregate principal amount of the Parity Bonds at the time outstanding, and (b) the consent of Assured Guaranty Municipal Corp., which has been received, so long as the surety policy related to the 2010 Bonds and the 2013 Bonds (as applicable) remains in effect or such bonds are no longer outstanding. Reference is made to Section 8.1 of the 2021 Supplemental Ordinance for the full contents of such amendments, which were incorporated herein by reference. Owners of the Bonds, by taking and owning the same, shall be deemed to have consented to the amendments provided for in the 2021 Supplemental Ordinance. Assured Guaranty Municipal Corp. consented to such amendments as of August 30, 2021.
SECTION IX

MISCELLANEOUS

Section 9.1. Ratification of Prior Acts. Any action taken consistent with the authority and prior to the effective date of this Supplemental Ordinance is ratified, approved and confirmed.

Section 9.2. Terms of Bonds Subject to the Master Ordinance. Except for matters otherwise provided for herein, every term and condition contained in the Master Ordinance shall apply to this Supplemental Ordinance and the Bonds with the same force and effect as if the same were herein set forth at length, with such omissions, variations, and modification as may be appropriate to make the same conform to this Supplemental Ordinance.

In the event of any inconsistency between the terms and provisions provided for in this Supplemental Ordinance and the Master Ordinance, the terms and provisions of this Supplemental Ordinance shall control.

Section 9.3. Ratification of Master Ordinance. Except as supplemented and amended by this Supplemental Ordinance, the Master Ordinance is hereby ratified, approved and confirmed and shall continue in full force and effect in accordance with its terms and provisions thereof, as amended and supplemented.

Section 9.4. Corrections by Clerk. Upon approval of the City Attorney, or such individual's designee, and Bond Counsel, the City Clerk is hereby authorized to make necessary corrections to this Supplemental Ordinance, including, but not limited to, the correction of clerical errors; references to other local, state or federal
laws, codes, rules, or regulations; ordinance numbering and section/subsection numbering; and other similar necessary corrections.

Section 9.5. Severability. If any one or more of the provisions of this Supplemental Ordinance is or are held by any court of competent jurisdiction to be contrary to law, then such provision or provisions shall be null and void and shall be deemed separable from the remaining provisions and shall in no way affect the validity of the other provisions of this Supplemental Ordinance.

Section 9.6. Repeal of Ordinance No. 28920. On December 5, 2023, the City Council passed Ordinance No. 28920 authorizing the issuance of Electric System revenue bonds for the purposes set forth herein. Ordinance No. 28920, however, was not published in the City’s official newspaper pursuant to State law and the Tacoma City Charter. In order to cure this procedural defect, the City Council now desires to repeal Ordinance No. 28920 in its entirety, and to replace such ordinance with this Supplemental Ordinance in order to accomplish the purposes set forth therein and herein.
Section 9.7. Effective Date. Pursuant to Section 2.13 of the Tacoma City Charter, this Supplemental Ordinance shall take effect and be in force immediately after its passage, approval and publication.
